SUBJECT: **Agreement with Union Pacific Railroad Co. for Underground Wireline Crossing for the East Fifth Street Parking Lot (Project Specification No. PW01-24)**

RECOMMENDATION

That City Council approve and authorize the Mayor to execute the agreement for $6,450 with Union Pacific Railroad Company (UPRR) to install an underground electrical line at the railroad tracks at the east end of the former Enterprise Street (Agreement No. A-7097).

DISCUSSION

The Oxnard Transportation Center's newest parking lot at 255 East Fifth Street requires an underground electrical line to cross below ground at the UPRR tracks at the east end of the former Enterprise Street as part of Project Specification No. PW01-24 approved by the City Council on March 4, 2008. UPRR requires a license agreement with a one-time fee of $6,450 to allow the electric line on its property.

FINANCIAL IMPACT

The cost for the agreement is a one-time license fee of $6,450. The project has sufficient funds in Account No. 275-9949-826-8604 Project No. 013115 "E. Fifth St. Parking Lot" to fund this request.
