TO: City Council

FROM: Daniel Martinez, City Clerk
City Clerk Office

SUBJECT: **Agreements for Publication of Legal Notices and Legal Advertisements and for Publication of Display Advertisements and Classified Advertisements**

RECOMMENDATION

That City Council:

1. Approve and authorize the Mayor to execute an agreement (A-7182) with Ventura County Star (Star) for the publication of legal notices and legal advertisements for fiscal year (FY) 2009-10.

2. Authorize the City Manager or designee to execute an agreement (A-7183) with Ventura County Star for display advertisements and classified advertisements for FY 2009-10.

DISCUSSION

1. Background

Each year, the City Council must select a newspaper of general circulation in which the public can find all legal advertisements. A Request for Proposals (RFP) was mailed to local newspapers of general circulation for the purpose of soliciting bids for the publication of legal notices and legal advertisements. These newspapers included the Star, Ventura County Reporter, Tri-County Sentry and Vida Newspaper. A selection committee, made up of representatives from the City Clerk's Office, Finance Department, Planning Division, Grants Management, and General Services, reviewed the submitted RFP.

2. Analysis of Proposals

This year only the Star responded to the RFP and met or exceeded the minimum criteria set forth in the RFP which are:

1) Compliance with State Requirements. State law requires publication of legal notices in a "newspaper of general circulation", the Star met this requirement.

2) Circulation and Area Coverage. Star's average number of daily published papers for the City of Oxnard is 17,300 with an increase of Sunday papers.

3) Frequency of Publication. The Star is a daily newspaper.

4) Flexibility of Submittal and Publication Timelines. The Star normally requires advertisement submission three days prior to publication.

5) Cost. The Star proposes a cost of $11.90 per column inch for legal notices and $19.81 per column inch legal (display) advertisements. The Star's newspaper rack rate is fifty cents for the daily paper and $1.50 for the Sunday paper.

6) Availability on the Internet. The Star does post legal notices and legal advertisements on the Internet.

3. Findings

Staff recommends that the City Council select the Star for the publication of legal notices and legal advertisements as well as for the publication of display advertisements and classified advertisements. Finally, staff recommends the continuing practice of allowing a department or division to place legal notices or legal advertisements in more than one newspaper if there is a requirement such as reaching the Spanish-speaking population or an item is of great public interest.

FINANCIAL IMPACT

The proposed contract rate of $11.90 per column inch for legal notices and $19.81 per column inch for legal (display) advertisements which is the same rate has last year. The Star also proposes $11.90 per column inch for classified advertisement which is the same has last year. Display advertisement rate increases from $11.00 per column inch to $12.00 per column inch. Each department is responsible for its advertisement costs, which are included in the FY 2009-10 budget.
