SUBJECT: Public Hearing and Adoption of Resolution to Form and to Levy FY 2006-2007 Assessments in Landscape Maintenance District No. 54

RECOMMENDATION

That City Council:

1. Hold a public hearing concerning the formation of Landscape Maintenance District No. 54, consisting of Tract No. 5459 (Meadowcrest), located at Oxnard Boulevard and Robert Avenue, and determine whether a majority protest against formation exists.
2. If a majority protest against formation does not exist, continue with the public hearing to consider all protests against the proposed assessment in the District; tabulate the ballots; and determine whether a majority protest exists as to the assessment.
3. If a majority protest does not exist as to the assessment, adopt a resolution to form and levy FY 2006-2007 assessments in the District.

DISCUSSION

As a condition of development, the developer of Tract No. 5459 (Meadowcrest), located at Oxnard Boulevard and Robert Avenue, consented to the formation of the District.

On February 7, 2006, Council approved the engineer's report for the District and adopted Resolution No. 12,999 declaring Council's intention to form the District and levy FY 2006-2007 assessments.

The public hearing held today is for Council to consider protests against the formation of the District and to consider protests against the proposed assessments.

The District cannot be formed if a majority protest exists. A majority protest against formation exists if, at the conclusion of the hearing, written protests filed and not withdrawn represent property owners owning more than 50 percent of the area of assessable lands within the District.

If a majority protest against formation does not exist, Council may continue with the public hearing to consider objections and protests against the proposed assessments. The assessments cannot be imposed if a majority protest exists. A majority protest against the assessments exists if the assessment ballots submitted, and not withdrawn, in opposition to the proposed assessments exceed the assessment ballots submitted, and not withdrawn, in favor of the proposed assessments, weighing the assessment ballots by the amount of the proposed assessment to be imposed upon the parcel for which the assessment ballot was submitted.

If a majority protest does not exist as to formation or as to the assessments, and Council adopts a resolution forming and levying assessments in the District, the assessment data will be delivered to the County Auditor-Controller's Office for processing and collection of FY 2006-2007 assessments.

CONTRACT SERVICE DISTRICT

The District will be a contract service district and the City will obtain bids from private contractors on behalf of the District. The engineer's report indicates the FY 2006-2007 costs.

FINANCIAL IMPACT

The recommendation will result in the City's ability to provide landscaping services in the District at no cost to the General Fund.
