**SUBJECT:** Ordinance Amending Ordinance No. 2632, Regarding Wastewater System User Fees and Charges

**RECOMMENDATION**

That City Council approve the first reading by title only and subsequent adoption of an ordinance amending Ordinance No. 2632, regarding wastewater system user fees and charges.

**DISCUSSION**

On July 22, 2003 City Council adopted Ordinance No. 2632 which set forth wastewater user rates and charges. This ordinance contained three separate rate increases, the last of which became effective on July 1, 2005. However, the ordinance's present language could be misinterpreted that the current rates are only in effect through June 30, 2006. To eliminate the potential for any confusion or misinterpretation, staff is proposing that the ordinance be amended to delete the "through June 30, 2006" references in all applicable subsections of the ordinance.

**FINANCIAL IMPACT**

None.
