On June 18, 2009, the Planning Commission considered a request to amend conditions of approval to allow the addition of two outdoor display areas and an increase in delivery hours to allow deliveries up until 10:00 p.m. Monday through Sunday at Fresh and Easy Neighborhood Market.

At the meeting, the Commission deliberated on the requested revisions to the conditions of approval. Commissioner Sanchez made a motion and Chair Frank seconded the motion to amend the conditions of approval to allow two outdoor display areas (as amended by the applicant at the June 18th meeting) and deliveries up until 10:00 p.m. Monday through Sunday at Fresh and Easy. This motion failed for lack of an affirmative vote of a majority. Therefore, the motion failed. Chairwoman Frank then requested that each Commissioner state their position on the proposed outdoor display request and delivery hour modification in an attempt to gauge the potential for consensus on any of the three conditions that the applicant sought to amend. The Commission then requested that this item be continued to the Commission's July 2nd meeting and that staff and the applicant continue discussing the proposed revisions.

As a result of discussions with the applicant following the June 18th meeting, the applicant agreed to a compromise on two of the three conditions. The following summarizes the revisions to the conditions; Staff's response to the requested revisions is contained in italics following the identified condition:

Outdoor Display Area – Condition No. 100:

The applicant has reconsidered their outdoor display request and is now proposing two outdoor display areas (see Attachment 1) as follows: 4' (W) x 4' (L) x 3'9" (H) and 4' (W) x 8' (L) x 3'9" (H).

Staff is supportive of the applicant's proposal and has prepared a resolution reflecting this request (see Attachment 2). In response to discussions during the June 18, 2009 Planning Commission meeting, staff has added conditions to prohibit "A frame" signs within the entrance and exit area; and that outdoor display areas shall be limited to merchandise that is customarily offered for sale inside the store (i.e., water bottles, charcoal, and flowers).

Deliveries/Loading and Unloading – Conditions No. 68 and 103:

The applicant is requesting that the conditions of approval be modified as follows; revisions to the conditions of approval are denoted in strike through (deleted text) and underline (added text):

68. There shall be no deliveries of alcoholic beverages permitted during typical high school commuting hours. Specifically, deliveries of alcohol are prohibited between 7:30 a.m. and 8:30 a.m. and between 2:30 p.m. to 3:30 p.m. Monday through Friday (PD).

Staff is supportive of the applicant's proposal and has prepared a resolution reflecting this request (see Attachment 2).

103. Deliveries associated with parcel 1 shall only be within the loading and unloading area in the rear of the building on parcel 1 and shall only occur from 6:00 a.m. to 4:00 p.m. and from 6:00 p.m. to 10:00 p.m. Monday through Sunday. ~~from 6:00 a.m. to 7:30 a.m. and from 9:00 a.m. to 4:00 p.m.~~

Staff is not in support of the revised condition as proposed by the applicant. The City Traffic Engineer is opposed to changing the conditions of approval to allow deliveries during peak hours and therefore, does not recommend changing condition no. 103 as requested by the applicant (see Attachment 3). A resolution denying the applicant's requested revision to this condition is contained in Attachment 4. Staff recommends that condition no. 103 read as follows; added text is denoted in underline:

"With the exception of deliveries associated with alcoholic beverages, deliveries associated with parcel 1 shall only be within the loading and unloading area in the rear of the building on parcel 1 and shall only occur from 6:00 a.m. to 7:30 a.m., 9:00 a.m. to 4:00 p.m. and 6:00 p.m. to 10:00 p.m. Monday through Friday. Deliveries (inclusive of alcohol) may be permitted from 6:00 a.m. to 10:00 p.m. Saturday and Sunday. However, deliveries on any day shall be completed by 10:00 p.m."

Summary

Staff and the applicant are in concurrence with the proposed revisions to conditions of approval no. 100 and 68; the approval resolution (see Attachment 2) reflects this concurrence.

Staff does not support the revisions to condition no. 103 proposed by the applicant. Should the Planning Commission concur with staff's proposed revisions to condition of approval no. 103 (see above), this language should be incorporated into the approval resolution - Attachment 2. Should the Planning Commission support the applicant's requested revision to condition no. 103, adoption of a denial resolution is not needed (see Attachment 4) and approval language should be incorporated into the approval resolution – Attachment 2.
