**SUBJECT:** Naming of City Park located at 5302 Cypress Road

**RECOMMENDATION**

That City Council approve the naming of the new City park located at 5302 Cypress Road to Garden City Acres Park.

**DISCUSSION**

In April of 1977, City Council adopted Resolution NO. 12,991 establishing procedures for naming city parks and other public facilities. This resolution requires that all suggested names be taken to the Parks and Recreation Commission for their review. The Commission shall then recommend a park name that shall be taken to City Council for adoption.

Staff met with the Neighborhood Council to receive their input on February 22, 2007. Their request was that the park be named Garden City Acres Park. On March 28, 2007 staff took this name to the Parks and Recreation for their review and input. The Commission voted unanimously that the park should be named Garden City Acres Park, and that this name should be recommended to City Council for approval.

**FINANCIAL IMPACT**

There is no financial impact.
