SUBJECT: Multiplex Theater Ordinance (PZ07-580-01)

RECOMMENDATION

That City Council approve the first reading by title only and subsequent adoption of an ordinance amending the location of multiplex theaters in the City to the Central Business District (CBD) and the commercial district of the RiverPark Specific Plan.

DISCUSSION

The City Code currently limits the location of multiplex theaters to the CBD. One complex (Centennial Plaza) has been constructed and opened in the CBD in 2005. Developers of the main RiverPark commercial project, known as The Collection, have proposed a lifestyles shopping center which also features a theater complex as an anchor. Discussions between the RiverPark and Centennial Plaza developers and theater operator, and City representatives addressed potential impacts on the downtown theater project.

On June 28, 2007, the Planning Commission voted 7-0 against the proposed ordinance amendment.

ENVIRONMENTAL DETERMINATION

The proposed amendment is categorically exempt from CEQA. Any actual theater proposal would be evaluated in the context of the RiverPark Specific Plan and Environmental Impact Report.

FINANCIAL IMPACT

None at this time from the adoption of the proposed ordinance. The potential impact on the City's interest in the Downtown Theater is being evaluated separately.
