SUBJECT: **Special Budget Appropriation for Federal Grant for Rice Avenue/Santa Clara Avenue Interchange Improvements at Highway 101**

RECOMMENDATION

That City Council recognize federal revenue and approve a special budget to appropriate funds in the amount of \$970,001 for right of way purchases for the Rice Avenue/Santa Clara Avenue interchange improvements at Highway 101.

DISCUSSION

The City received additional federal grant funds for right of way purchases for the Rice Avenue/Santa Clara Avenue interchange improvements at Highway 101. The recommendation will incorporate the additional funding into the existing project budget. Federal funds are paid to the City on a reimbursement basis. The City is required to provide a 20 percent match for all funds from the grant. The existing project budget has available the match of \$242,500.25. The current estimate for right of way for the project is \$18,664,725, excluding legal fees and consultant fees for right of way acquisition services. Including the staff recommendation, the City has received a total of \$5,201,402 in federal funds combined for right of way engineering (\$320,000), right of way purchases (\$3,832,762), and relocation assistance (\$1,048,640).

FINANCIAL IMPACT

The special budget appropriates \$970,001 in Hwy 101-Rice Interchange (Account No. 275-9718-826.86-01 (Project No. 873114)). There are sufficient funds in Account No. 301-9718-826.86-05 (Project No. 873114) to fund the required match of \$242,500.25 (20 percent of the total award of \$1,212,501.25).
