SUBJECT: Ventura Regional Sanitation District Painting and Coating Agreement

RECOMMENDATION

That City Council approve and authorize the Mayor to execute an agreement with Ventura Regional Sanitation District (VRSD) Agreement Number A-7074 for Painting and Coating Services.

DISCUSSION

The City of Oxnard Water Resources Division - Wastewater and Water Sections have utilized VRSD since 1976 for ongoing industrial coating applications. This service is necessary for the facilities to not only prolong the useful life of the process equipment but it also reduces corrosion and enhances the overall esthetics of the Treatment Plant and the Water Campus facilities. VRSD is also experienced in conducting minor repairs of numerous treatment plant equipment and appurtenances which include but are not limited to:

- corrosion control
- primer, painting and industrial coating of all equipment within the facilities including: pumps, electrical motors, gear drives, mechanical ejectors, process piping, heat loop system, structural support, valves, building and facilities (internal and external).
- repair or replacement of concrete structures
- preventative corrosion control of catwalks, handrails, doors and window frames
- manhole repair and rehabilitation on an as needed basis.

Additionally, VRSD has the equipment and personnel necessary to properly maintain the Wastewater and Water facilities industrial coating needs.

FINANCIAL IMPACT

This contract is for five (5) years and has the option for two five (5) year extensions for a total of fifteen (15) years for total cost not to exceed \$6,000,000. The cost of the Agreement will not exceed \$400,000 annually. There are sufficient funds in the Fiscal Year 2008/2009 Budget in the amount of \$200,000 in Account No. 621-6720-822-8605 project 016202 (Wastewater), and \$200,000 in Account No. 601-6001-842-8209 (Wastewater) to cover these costs.
