**DATE:** August 21, 2008

**TO:** City Council

**FROM:** Susan L. Martin AICP, Planning Manager *[Signature]*  
Development Services Department

**SUBJECT:** **Planning & Zoning Permit Nos. 08-300-3 (Tentative Subdivision Map) and 08-500-3 (Special Use Permit), located at the southwest corner of Statham Boulevard and Oxnard Boulevard (APN 220-0-110-325) within the Business & Research Park (BRP) zone. Filed by Attorney in Fact Ghormley Consulting Civil Engineers, for Statham Commercial Development, LLC.**

**RECOMMENDATION**

That City Council:

1. Adopt a resolution approving Planning and Zoning Permit No. 08-500-3, a special use permit for 12 industrial condominiums within three previously-approved light industrial buildings, located at the southwest corner of Oxnard Boulevard and Statham Boulevard, subject to certain findings and conditions; and
2. Adopt a resolution approving Planning and Zoning Permit No 08-300-3 for a tentative subdivision map for Tract No. 5716, a portion for condominium purposes, subject to certain findings and conditions

**DISCUSSION**

On July 17, 2008, the Planning Commission adopted Resolution Nos. 2008-42 and 2008-44, approving the special use permit and tentative subdivision map identified above. The project proposes to subdivide an existing 2.77-acre lot into two lots (0.86 and 1.96 acres), including the 1.96-acre lot for 12 industrial condominiums. Development of the site with a retail/office building (4500 square feet) and three light industrial buildings (18,000 square feet) was approved in 2007.

The proposed development is subject to review in accordance with the California Environmental Quality Act (CEQA). In accordance with Section 15315 of the CEQA Guidelines, projects involving Minor Land Divisions dividing land for residential, commercial or industrial uses in

Subject/Permit

Page 2

urbanized areas into four or fewer parcels may be found to be exempt from the requirements of CEQA. This proposal consists of a minor land division, dividing the property into two lots (one for condominium purposes) for industrial and commercial uses in an urbanized area. Therefore, staff has determined that there is no substantial evidence that the project may have a significant effect on the environment.

In approving the discretionary permits for the development project, the Planning Commission determined that the development is consistent with the 2020 General Plan. The proposed land division and community ownership of the site will not affect the commercial and industrial uses of the subject property and not change the development project's consistency with the General Plan. Therefore, the project is consistent with the 2020 General Plan policies and conforms to its land use designation.

RESOLUTION NO. 2008 – 44

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF OXNARD APPROVING PLANNING AND ZONING PERMIT NO. 08-500-3 (SPECIAL USE PERMIT), TO SELL AS COMMUNITY OWNERSHIP UNITS TWELVE APPROVED INDUSTRIAL UNITS ON ONE LOT OF A TWO-LOT SUBDIVISION, FOR PROPERTY LOCATED AT THE SOUTHWEST CORNER OF STATHAM BOULEVARD AND OXNARD BOULEVARD, ALSO KNOWN AS 2100 STATHAM BOULEVARD (APN 220-021-325), SUBJECT TO CERTAIN FINDINGS AND CONDITIONS. FILED BY DESIGNATED ATTORNEY IN FACT, GHORMLEY CONSULTING CIVIL ENGINEERS, 302 N. MONTGOMERY STREET, OJAI, CA 93023, FOR STATHAM COMMERCIAL DEVELOPMENT, LLC.

WHEREAS, the Planning Commission of the City of Oxnard has considered an application for Planning and Zoning Permit No. 08-500-3, filed by Ghormley Consulting Civil Engineers for Statham Commercial Development, LLC, in accordance with Section 16-530 through 16-553 of the Oxnard City Code; and

WHEREAS, Section 15315 of Title 14 of the California Code of Regulations exempts the project from the requirement for the preparation of environmental documents imposed by the California Environmental Quality Act; and

WHEREAS, the Planning Commission finds, after due study, deliberation and public hearing, that the following circumstances exist:

1. The proposed use is in conformance with the General Plan and other adopted policies of the City of Oxnard.
2. The proposed use will not adversely affect or be materially detrimental to the adjacent uses, buildings or structures or to the public health, safety or general welfare.
3. The site for the proposed use is adequate in size and shape to accommodate the setbacks, parking, landscaping, and other City standards except as may be specifically excepted by the special findings and conditions of this resolution.
4. The site for the proposed use will be served by streets and highways adequate in width and structure to carry the kind and quantity of traffic such use will generate.
5. The site for the proposed use will be provided with adequate sewerage, water, fire protection and storm drainage facilities.

WHEREAS, the Planning Commission finds that the applicant agrees with the necessity of and accepts all elements, requirements, and conditions of this resolution as being a reasonable

manner of preserving, protecting, providing for, and fostering the health, safety, and welfare of the citizenry in general and the persons who work, visit or live in this development in particular.

NOW, THEREFORE, BE IT RESOLVED that the Planning Commission of the City of Oxnard hereby approves this permit subject to the following conditions. The decision of the Planning Commission is final unless appealed in accordance with the provisions of Section 16-545 of the Oxnard City Code.

**GENERAL PROJECT CONDITIONS**

1. This permit is granted for the property described in the application on file with the Planning Division, and may not be transferred from one property to another. (PL, *G-1*).
2. This permit shall automatically become null and void 24 months from the date of its issuance, unless Developer has diligently developed the proposed project, as shown by the issuance of a grading, foundation, or building permit and the construction of substantial improvements, or the beginning of the proposed use. (PL, *G-3*)
3. All required off-site and on-site improvements for the project, including structures, paving, and landscaping, shall be completed prior to occupancy unless the Development Services Manager allows Developer to provide security or an executed agreement approved by the City Attorney to ensure completion of such improvements. (DS, *G-4*)
4. Developer agrees, as a condition of adoption of this resolution, at Developer's own expense, to indemnify, defend and hold harmless the City and its agents, officers and employees from and against any claim, action or proceeding to attack, review, set aside,

void or annul the approval of the resolution or any condition attached thereto or any proceedings, acts or determinations taken, done or made prior to the approval of such resolution that were part of the approval process. Developer's commencement of construction or operations pursuant to the resolution shall be deemed to be an acceptance of all conditions thereof. (CA, G-6)

- 5. Any covenants, conditions, and restrictions (CC&Rs) applicable to the project property shall be consistent with the terms of this permit and the City Code. If there is a conflict between the CC&Rs and the City Code or this permit, the City Code or this permit shall prevail. (CA, G-7)
- 6. Subdivider shall record with the Ventura County Recorder a "Notice of Land Use Restrictions and Conditions" in a form acceptable to the City Attorney. (PL)
- 7. If Subdivider, owner or tenant fails to comply with any of the conditions of this permit, the Subdivider, owner or tenant shall be subject to a civil fine pursuant to the City Code. (CA, G)

**SPECIAL CONDITIONS**

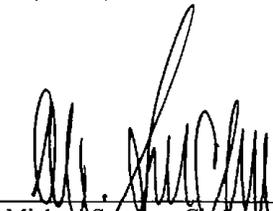

- 8. Subdivider shall establish a property owners association and the association shall be responsible for the maintenance of parking, landscape, and other areas and facilities held in common by the association and for the enforcement of CC&R's related to property maintenance. (PL/DS)
- 9. This approval is contingent upon approval of a Tentative and Final Subdivision Map of Tract No. 5716, and recordation of such Final Map.

**PLANNING COMMISSION  
STAFF REPORT**

**TO:** Planning Commission

**FROM:** Linda Windsor, Associate Planner

**DATE:** July 17, 2008

**SUBJECT:** Planning and Zoning Permit No. 08-300-8 (Tentative Subdivision Map) and 08-500-3 (Special Use Permit) - Located at 2100 Statham Boulevard.

**1) Recommendation:** That the Planning Commission:

- a) Approve Planning and Zoning Permit No. 08-500-3 for a special use permit, subject to certain findings and conditions.
- b) Adopt a resolution recommending that the City Council approve Planning and Zoning Permit No. 08-300-3 for a tentative subdivision map for Tract No. 5716, a portion for condominium purposes, subject to certain findings and conditions.

**Project Description and Applicant:** The applicant proposes to subdivide an existing 2.77-acre lot into two lots (0.86 and 1.96 acres), including the 1.96-acre lot for 12 industrial condominiums. The project is not within a redevelopment area, neighborhood or specific plan area. Filed by designated Attorney in Fact Ghormley Consulting Civil Engineers, 302 N. Montgomery Street, Ojai, CA 93023, for Statham Commercial Development, LLC.

**2) Existing & Surrounding Land Uses:** The site is vacant.

LOCATION	ZONING	GENERAL PLAN	EXISTING LAND USE
Project Site	BRP	Business & Research Park	Vacant
North	BRP	Limited Industrial	Retail, service uses
South	ML	Business & Research Park	Vehicle storage, offices, antique car museum
East	BRP	BRP	(beyond Oxnard Boulevard) Restaurant; limited industrial uses
West	ML	Limited Industrial	Various light industrial uses

**3) Background Information:** On August 16, 2007, the Planning Commission adopted Resolution Nos. 2007-25, -26, and -27, approving a special use permit and zone variance (PZ Nos. 05-500-11, and 07-590-1) for development of this property, and recommending approval of a zone change (PZ No. 06-570-8) to the City Council. The City Council

approved the special use permit, zone variance and zone change on September 18, 2007. The project consists of development of the site with a retail/office building (4500 square feet) and three light industrial buildings (18,000 square feet). The zone variance request reduced the required setback along Oxnard Boulevard from 40 feet to 32 feet for one portion of one building. The zone change changed the property zoning from M-L (Limited Manufacturing) to BRP (Business & Research Park). The applicant has submitted the building and improvement plans into the City's plan check process.

**4) Environmental Determination:** In accordance with Section 15315 of the California Environmental Quality Act (CEQA) Guidelines, projects involving Minor Land Divisions dividing land for residential, commercial or industrial uses in urbanized areas into four or fewer parcels may be found to be exempt from the requirements of CEQA. This proposal consists of a minor land division, dividing the property into two lots (one for condominium purposes) for industrial and commercial uses in an urbanized area. Therefore, staff has determined that there is no substantial evidence that the project may have a significant effect on the environment and recommends that Planning Commission accept the Notice of Exemption (see Attachment C).

**5) Analysis:**

- a) General Discussion:** This project is before the Planning Commission because the approval of community ownership units (condominiums) requires a special use permit. In addition, the subdivision of the property into two lots requires approval and recordation of a map. The proposed tentative subdivision map would divide the property into two lots: one for the retail/commercial building and one for 12 industrial condominiums. No changes to the site or the approved project are proposed as part of this subdivision.
- b) General Plan Consistency:** The City's 2020 General Plan designates the subject site for Business and Research Park uses. The current zoning, Business and Research Park (BRP), is consistent with the City's 2020 General Plan designation. In approving the Special Use Permit, Zone Variance and Zone Change for the development project, the Planning Commission and City Council determined that the approved project is consistent with the General Plan. The proposed land division and community ownership of the site will not affect the commercial and industrial uses of the subject property and not change the development project's consistency with the General Plan. Therefore, the project is consistent with the 2020 General Plan policies and conforms to its land use designation.
- c) Conformance with Zoning Development Standards:** The proposed subdivision is located in the Business and Research Park (BRP) zone district. The subdivision creates a new lot line on the property between two of the buildings, with the potential to change the development project's compliance with the BRP zone district standards (lot size, frontage, setbacks, etc.). Staff reviewed the project's compliance with the applicable development standards of the BRP zone and previous approval, as follows:

Min. lot area	20,000 sq ft (min)	Lot 1: 33,216 sq ft Lot 2: 85,378 sq ft	YES
Min. lot width	Corner Lot: 150 feet Interior Lot: 100 feet	Lot 1: 150 feet Lot 2: 300	YES
Min. lot depth	150 ft.	Lot 1: 192 feet Lot 2: 250 feet +	YES
Front yard setback (street setbacks)	Along Oxnard Bl: 40 ft. Statham Bl: 30 ft	Oxnard Blvd: 68 ft, except 32 ft., 11 in. and 30 ft at one area of Building 1. Statham: 30 feet	Yes, with approved Zone Variance
Side yard setback (north property line of Lot 2 only)	Building Height Lot 1: 31 ft 9 in. Lot 2: 28 ft	Lot 1: NA (no side yards) Lot 2: 29 feet (at minimum)	YES
Rear yard setback (south property line of each lot)	20 feet	Lot 1: 42 feet (at minimum) Lot 2: 31 feet (at minimum)	YES
Lot coverage	40%	Lot 1: 13.5% Lot 2: 21%	YES

- d) **Site Design:** No new development or site changes are proposed for the subject property. The property is bounded by Highway 1 (Oxnard Boulevard) to the northeast, Statham Boulevard to the west and an existing development (owned by the applicant) to the south.
- e) **Circulation and Parking:** The approved development project provides vehicle access via two driveways along Statham Boulevard. The primary driveway access is approximately 170 feet south of the intersection of Sunkist Circle and Statham Boulevard. The secondary driveway is located on and shared with the adjacent property, which is also owned by this applicant. Recordation of a reciprocal access agreement between these two properties is required prior to issuance of a building permit for the development project.

In addition to reciprocal access between the subject property and the adjoining property to the south, a condition of approval is included in the draft resolution for the tentative subdivision map requiring recordation of a reciprocal access, parking and maintenance agreement and in the special use permit resolution requiring establishment of a property owners' association for this property.

**6) Development Advisory Committee:** As no changes are proposed to the previously approved site layout and development, the tract map and conversion of the industrial units to common ownership are not subject to review by the Development Advisory Committee. Conditions of approval from affected departments are included in the attached resolutions.

**6) Appeal Procedure:** In accordance with Section 16-545 of the City Code, the Planning Commission's decision may be appealed to the City Council within 18 days.
