City Manager's Office

SUBJECT: Request for Public Bid of GS10-19 Del Sol Park Walking Track Project

RECOMMENDATION

That City Council approve Project Specification GS10-19 and authorize staff to solicit bids for the Del Sol Park Walking Track Project, located at 1500 Camino Del Sol.

DISCUSSION

On July 20, 2010 City Council approved funding for the Del Sol Walking Track Project. This project consists of an all weathered rubberized walking track on the east side of the Del Sol Park. As part of this project ADA upgrades are required by building and safety to the existing restrooms and the handicap parking stalls and ramps on the west parking lot. This track will be an asset to the park and will provide opportunities for area residents to improve health and fitness.

FINANCIAL IMPACT

Funding for this project will come from Measure "O" account 104-5772-826-8605 Project #115703. Staff will return to Council for final approval of award including additional funding if needed.
