TO: City Council

FROM: Michael Henderson, General Services Superintendent *MH*
City Manager's Office

SUBJECT: Request for Public Bid of GS11-10 Oxnard Transportation Center Resurfacing Project

RECOMMENDATION

That City Council:

1. Approve Project Specification GS11-10 and authorize staff to solicit bids for the Oxnard Transportation Center (OTC) Resurfacing Project for the turn around at the porte-cochere and east triangular parking lot, located at 200 East Fourth Street.
2. Approve the appropriation of funds in the amount of \$96,776 from the Traffic Development Act (TDA) for resurfacing of Oxnard Transportation Center.

DISCUSSION

The OTC has had some improvements through the years to the main transportation building and surrounding parking lots and Bus Island. In 2003, improvements were made to the existing restrooms inside the OTC. In 2005, the Bus Island and the 4th Street improvements were modified to allow for more buses. In 2009, a new parking lot was added for long term parking on the east side for the railroad tracks, and also the existing 4th Street parking south of the OTC was rehabilitated. There has been asphalt deterioration due to the years of wear and tear, and the current rains have worsened asphalt condition at the porte-cochere and east triangular parking lot. Both areas will be resurfaced and the irrigation and landscaping on the west side of the parking lot will also be modified.

FINANCIAL IMPACT

Funds are available from TDA appropriations and fund balance per the attached Special Budget Appropriation.

CITY OF OXNARD

REQUEST FOR SPECIAL BUDGET APPROPRIATION
