SUBJECT: Gang Violence Suppression Grant Award Amendment

RECOMMENDATION

That City Council authorize the City Manager to:

1. Submit a grant award amendment in the amount of \$85,730 to California Emergency Management Agency (CalEMA) to increase the amount of grant funds awarded to the City from \$275,000 to \$360,730.
2. Appropriate funds in the amount of the grant upon award.

DISCUSSION

The City of Oxnard is one of four cities in California that receives State funding under a Gang Violence Suppression (GVS) Project grant. This is a result of a competitive application process in 2005. The purpose of the GVS Project is to reduce gang violence in communities and to divert potentially dangerous gang activity into more positive and constructive behavior. The Oxnard Police Department is the lead agency for the City's GVS Project, which also includes the Ventura County District Attorney's Office, the Ventura County Probation Agency, and City Impact. The Oxnard GVS Project has developed a comprehensive model and the multi-component approach addresses the gang problem through prevention, intervention, and suppression efforts.

On April 28, 2011, the Oxnard Police Department was notified an additional \$85,730 in funding would be provided to support projects continued after the close of the FY09-10 GVS Grant that ended June 30, 2010. The funds will be used to reimburse expenses previously incurred in Fiscal Year 2010-2011. There is a ten percent local matching funds requirement in the amount of \$8,573 which will be met through in-kind services.
