## **DISCUSSION**

The City Council has required that all developments establish landscape maintenance districts as a condition of development. These districts were formed by separate City Council resolutions in prior years. The assessments are exempt from Article XIII D of the California Constitution, by reason of Section 5 thereof.

The Landscape and Lighting Act of 1972, pursuant to which these districts were formed, requires annual City Council action to update the assessments which appear on the Ventura County tax rolls. On June 14, 2011, Council adopted Resolution Nos. 13,993, 13,994, 13,995, 13,996, 13,997, 13,998, 13,999, 14,000, 14,001, 14,002, 14,003, 14,004, 14,005, 14,006, 14,007, 14,008, 14,009, 14,010, 14,011, 14,012, 14,013, 14,014, to declare its intention to levy assessments. The public hearing held today, June 28, 2011, is for Council to receive public testimony and to levy assessments for the next fiscal year.

Staff has calculated costs and assessments for the City's FY 2011-2012 maintenance of public landscaping in Landscape Maintenance District Nos. 1 through 3, and 7 through 26. The resolutions levying assessments state that assessments for FY 2011-2012 are not proposed to increase over the assessments for FY 2010-2011.

Following the City Council's action at the public hearing today, the assessment data will be delivered to the County Auditor-Controller's Office and processed for the collection of assessments in FY 2011-2012. This action must take place prior to July 1, 2011.

## **SELF-MAINTAINED DISTRICTS**

Some districts maintain the landscaping without involving the City work force or contract maintenance services. However, the City requires an annual \$1,080 budget for contingencies and inspections by City staff. Unused amounts remain in the fund balance for the district and are applied against the required 15 percent operating reserve and any additional surplus is used to reduce subsequent assessments. District Nos. 2 (Channel Islands Business District); 19 (Shopping at the Rose); and 21 (Cypress Pointe) are self-maintained districts.

## **CONTRACT SERVICE DISTRICTS**

District Nos. 3 (River Ridge); 14 (California Cove); and 16 (California Lighthouse) are contract service districts, which means that the City will obtain the lowest bid from a private contractor on behalf of the districts. The annual assessment will vary from one year to the next. The engineer's report for each indicates the FY 2011-2012 costs.

## **CITY MAINTAINED DISTRICTS**

Staff has determined that the City work force can provide improved landscape maintenance services to some districts equal to or below the costs charged by a contractor. For FY 2011-2012, City staff will provide services to the following tracts:

- Tract No. 2247, District No. 1 (Summerfield);
- Tract Nos. 4183 and 3943, District Nos. 7 and 8 (Northfield/Seagate Business Park);
- Tract Nos. 3051-2, 3051-3, and 4351, District No. 9 (Strawberry Fields);
- Tract No. 4405, District No. 10 (Country Club Estates);
- Tract No. 4376, District No. 11 (St. Tropez);
- Tract No. 4294, District No. 12 (Standard Pacific);
- Tract No. 4424, District No. 13 (Le Village);
- Tract No. 4443, District No. 15 (Pelican Pointe);
- Tract No. 4702, District No. 17 (Village of San Miguel);
- Parcel Map Nos. 213-03-28 and 213-03-29, District No. 18 (St. John's Regional Medical Center);
- Parcel Map Nos. 231-0-020-200, 210, 240, District No. 20 (Wallenius Vehicle Preparation Center);
- Tract No. 4611, District No. 22 (McDonald's Median);
- Tract No. 4529, District No. 23 (Greystone);
- Tract No. 4529, District No. 24 (Vineyards);
- Tract No. 4840, District No. 25 (The Pointe); and
- Parcel Map No. 94-5-25, District No. 26 (Albertson's).

## **DISTRICTS NOT INCLUDED IN THIS REPORT**

Assessment District No. 4, the Mandalay Beach and Landscaping Maintenance District, is not included in this action because it was formed pursuant to the Improvement Act of 1911, and, therefore, requires separate treatment. Assessment District Nos. 5 and 6, for the Maulhardt (4021) and Continental Heritage (4169) industrial tracts, are also excluded because they contain no City-maintained landscaping at this time.
