RECOMMENDATION

That City Council approve and authorize the Mayor to execute Agreement No. 5464-11-FI with Emergency Technologies, Inc. (ETI), in the amount of \$326,421 for a Fire Records Management System.

DISCUSSION

On May 17, 2011, the City Council voted to approve a one-time and recurring yearly maintenance funding for new Police and Fire Public Safety systems.

The proposed agreement with ETI in the amount of \$326,421 is for Fire Records Management Systems and services. The contract includes implementation for \$173,436 and annual maintenance/support of \$152,985 for five years.

ETI was selected through a formal Request for Proposal (RFP) process in which four proposals were received. ETI best met the requirements of the RFP.

FINANCIAL IMPACT

The 2009 Lease Purchase (Fund 313) and Measure O (Fund 104) from CAD/RMS (Project 072101) are available for the capital cost of the new Police and Fire Public Safety systems. The Measure O funding of the CAD/RMS Project will be available to cover the annual maintenance cost of the new Public Safety system.
