Prepared By: Anthony Emmert, Water Resources Manager Agenda Item No. I-6

Reviewed By: City Manager City Attorney Finance Public Works _____

DATE: September 15, 2011

TO: City Council

FROM: Rob Roshanian, Interim Public Works Director FOR Public Works

SUBJECT: Fourth Amendment to Agreement for Trade Services with Polydyne, Inc. for Supply and Delivery of Clarifloc C-6264 Polymer to the Wastewater Treatment Plant

RECOMMENDATION

That City Council:

Approve and authorize the Mayor to execute the Fourth Amendment to the Agreement with Polydyne, Inc. to increase the compensation in the amount of \$185,000 for a total not to exceed amount of \$785,000 and extend the expiration date to January 31, 2012 for supply and delivery of Clarifloc C-6264 Polymer to the Wastewater Treatment Plant (Agreement No. 4611-08-PW).

DISCUSSION

Approximately 50 million gallons of biosolids are processed annually at the Wastewater Treatment Plant (WWTP). Liquid emulsion polymers, such as Clarifloc C-6264, are an essential element in this treatment process, and are used to dewater and solidify the treated biosolids for disposal, in compliance with regulatory requirements. Removal of biosolids from the treated effluent is necessary to ensure that wastewater discharged to the ocean is free of contaminants.

On July 24, 2008, the City issued a competitive Request for Bid for supply and delivery of polymer to the WWTP. The bid process included three phases: 1) bench testing of the proposed polymers to verify performance, 2) full-scale testing of the pre-qualified polymers to determine annual consumption, and 3) receipt of bids from the pre-qualified bidders. Polydyne, Inc. (Polydyne) was the lowest responsive and responsible bidder of the three bids received by the closing date of September 24, 2008.

Fourth Amendment to Agreement for Trade Services with Polydyne, Inc. For Supply and Delivery of Clarifloc C-6264 Polymer to the Wastewater Treatment Plant

September 15, 2011

Page 2

The City and Polydyne subsequently executed an agreement for one year of supply and delivery of Clarifloc C-6264 Polymer, with an option to extend up to two additional one-year terms for a total cost not to exceed \$600,000. This Fourth Amendment will provide enough polymer for operation of the WWTP until January 31, 2012. A Request for Bids has been issued and the closing date is November 10, 2011. This amendment will allow time for the new contract to be negotiated.

FINANCIAL IMPACT

Funds are available in the Wastewater Operating Fund Account Number 621-6202-843-8104 to cover the cost of these services.

Attachment #1 - Fourth Amendment to Agreement No. 4611-08-PW

FOURTH AMENDMENT TO AGREEMENT FOR TRADE SERVICES

This Fourth Amendment ("Fourth Amendment") to the Agreement for Trade Services ("Agreement") is made and entered into in the County of Ventura, State of California, this 27th day of September, 2011, by and between the City of Oxnard, a municipal corporation ("City"), and Polydyne, Inc. ("Vendor"). This Fourth Amendment amends the Agreement entered into on October 15, 2008, by City and Vendor. The Agreement previously has been amended on September 15, 2009, by a First Amendment, on September 21, 2010, by a Second Amendment, and on December 14, 2010 by a Third Amendment.

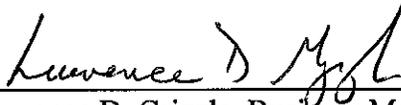

City and Vendor agree as follows:

1. In Section 3 of the Agreement, the date "September 30, 2011" is deleted and replaced with the date "January 31, 2012".
2. In Section 4 of the Agreement, the figure "600,000" is deleted and replaced with the figure "785,000".
3. As so amended, the Agreement remains in full force and effect.
