**SUBJECT:** Agreement with the Oxnard School District to Receive Grant Funds for the City's Participation in the After School Education and Safety Program in FY 09-10

**RECOMMENDATION**

That City Council:

1. Approve and authorize the Mayor to execute an agreement (Contract No. A-7185) with the Oxnard School District for the City to receive an amount not to exceed \$330,000 for providing the recreation component in the Educational and Enrichment Element of the state funded After School Education and Safety (ASES) Program at 19 schools in FY09-10, containing an option to renew the agreement annually.

**DISCUSSION**

The Oxnard School District is a grant recipient of the California Department of Education After School Partnership's After School Education and Safety (ASES) Program. ASES is the result of the 2002 voter approved initiative, Proposition 49. The proposition amended the California Education Code to expand and rename the former "Before and After School Learning and Safe Neighborhood Partnerships Program."

Through the ASES Program, the state funds the establishment of local after school education and enrichment programs. These programs are created through partnerships between schools and local community resources to provide literacy, academic enrichment and safe constructive alternatives for students in kindergarten to ninth grade. For FY 09-10, the Oxnard School District anticipates receiving \$2.3 million to provide the ASES Program at sixteen elementary schools and three junior highs.

The ASES Program design incorporates the following two elements which integrate with the school's curriculum, instruction, and learning support activities including:

1. Educational Enrichment Element: This element offers an array of additional services, programs, and activities that reinforce and complement the school's academic program. Educational enrichment may include but not limited to, positive youth development strategies, recreation and prevention activities. Such activities may involve the visual and performing arts, music, physical activity, health/nutrition promotion, and general recreation; career awareness and work preparation activities; community service-learning; and other youth development activities based on student needs and interest.
2. Educational and Literacy Element: This element provides tutoring and/or homework assistance designed to help students meet state standards in one or more of the following core academic subjects: reading/language arts, mathematics, history and social studies, or science.

The Oxnard School District is interested in contracting with the City of Oxnard to provide the recreation component which falls under the Educational Enrichment Element, specifically the City of Oxnard's Fun For All Program. The City's Fun For All Program teaches and promotes healthy living through an array of engaging activities in recreation, physical education and health/nutrition education. It is estimated that over 1,520 participants a day will be engaged in the program.

The cost of delivering the Fun For All Program at sixteen elementary schools and three junior highs for 180 days in FY 09-10 is estimated at \$570,000. The district has agreed to pay \$330,000 of the total program costs, leaving a balance of \$240,000. If approved in the City's annual budget process, the Recreation and Community Services budget would include \$225,000 in after school programming and \$15,000 in-kind contributions.

In the course of this collaboration, the City and the Oxnard School District seek to:

- Provide youth with a safe and nurturing environment until 6:00pm
- Provide outcome-driven academic support
- Create enrichment and recreation programs that foster student resiliency and improve neighborhood safety

## **FINANCIAL IMPACT**

If approved in the annual budget process for FY 09-11, the FY 09-10 budget would include \$105,000 in CDBG funds, \$135,000 from the General Fund and \$330,000 in state After School Education and Safety (ASES) Program grant funding.

**OPERATIVE PROVISIONS**

NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained here and other consideration, the value and adequacy of which are hereby acknowledged, the parties agree as follows:

1. **Incorporation of Recitals and Exhibits.** The Recitals set forth above and all exhibits attached to this Agreement, as hereafter amended, are incorporated by this reference as if fully set forth herein.
2. **Term of Agreement.** Subject to earlier termination as provided below, this Agreement shall remain in effect from the date first stated above to and including June 30, 2010 (the "Term"). This Agreement may be extended only by amendment, signed by the Parties, prior to the expiration of the Term.
3. **Time for Performance.** The scope of services set forth in Exhibit A shall be completed during the Term pursuant to the schedule specified Exhibit A. Should the scope of services not be completed pursuant to that schedule, the Consultant shall be deemed to be in Default as provided below. The District, in its sole discretion, may choose not to enforce the Default provisions of this Agreement and may instead allow Consultant to continue performing the Services.
4. **Compensation and Method of Payment.** Subject to any limitations set forth below or elsewhere in this Agreement, District agrees to pay Consultant the amounts specified in Exhibit B "Compensation". The total compensation, including reimbursement for actual expenses, shall not exceed Three Hundred Thirty Thousand dollars (\$330,000.00), unless additional compensation is approved in writing by the District.

In the event any charges or expenses are disputed by District, the original invoice shall be returned by District to Consultant for correction and resubmission.

5. **Termination.** This Agreement may be terminated at any time by mutual agreement of the Parties or by either Party as follows:

District's acceptance shall be conclusive as to such work except with respect to latent defects, fraud and such gross mistakes as amount to fraud. Acceptance of any of Consultant's work by District shall not constitute a waiver of any of the provisions of this Agreement including, but not limited to indemnification and insurance provisions.

7. **Default.** Failure of Consultant to perform any Services or comply with any provisions of this Agreement may constitute a default. The District may give notice to Consultant of the default and the reasons for the default. District shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of the notice until the default is cured. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, at the discretion of the District. During the period of time that Consultant is in default, the District shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the District may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the District may terminate this Agreement as provided above.
