SUBJECT: **Hueneme Road Widening Project - Right-of-Way Acquisition**

RECOMMENDATION

That City Council approve and authorize the mayor to execute the Right-of-Way Purchase Agreement in the amount of \$49,000 and accept an easement deed for property that is located at the south side of Hueneme Road immediately east of Saviers Road from the Ellisman Family Trust , Harold E. Dressler Family Trust and Mark L. Goldenson Trust (Trustees) (Agreement No. A-7227).

DISCUSSION

The Hueneme Road Widening Project is an approved Capital Improvement Project. Hueneme Road is a 2-lane road with the exception of a mile long 4-lane segment within the urban portion of Port Hueneme and Oxnard from Ventura Road to Saviers Road. The purpose of the project is to extend the 4-lane segment from Saviers Road to Acturus Avenue to provide increased traffic capacity, a median and center turn lane for safety, bike lane on both sides of the road, and to upgrade railroad crossing signalization and protection equipment.

The project requires the City to acquire the right-of-way for road widening from the property owned by the Trustees. The right-of-way is located at the south side of Hueneme Road, just east of Saviers Road. Public Works staff retained the Appraisal firm of Hamner, Jewell and Associates for the right-of-way acquisition. An appraisal was performed in accordance with Federal requirements, and was presented to the property owners. Staff negotiated with and was able to reach an agreement for the right-of-way with the Trustees (Attachment No. 1). The right-of-way property was appraised at \$49,000 or \$21 per square foot based on a market value approach of several comparable industrial land sales within Ventura County from December 2005 to April 2007. The recommended Council action is necessary in order for staff to proceed with the Hueneme Road Widening Project.

FINANCIAL IMPACT

The total cost of the right-of-way acquisition is \$49,000. There is sufficient funding available in the Hueneme Road Improvement Project No. 983109 Account No. 354-9832-826-8604 to cover this cost.

Attachment #1 Agreement for Right-of-Way Acquisition
Attachment #2 Easement Deed from the Trustees

RIGHT OF WAY PURCHASE AGREEMENT

THIS AGREEMENT ("Agreement") is made and entered into on _____ day of _____, by and between Carl Ellisman and Bertha R. Ellisman, husband and wife, as Trustees of the Ellisman Family Trust under Declaration of Trust dated October 4, 1982, as to an undivided 1/3rd interest; Selma Dressler, as Trustee of the Harold W. Dressler Family Trust dated June 30, 1980, as to an undivided 1/3rd interest; and Mark L. Goldenson, as Trustee of the Mark L. Goldenson Trust dated December 14, 1998, as to an undivided 1/3rd, hereinafter called "Grantor", and the City of Oxnard, a Municipal Corporation, hereinafter called "City".

An instrument in the form of an Easement Deed ("Deed") covering the property particularly described therein ("Property") has been executed concurrently with this Agreement and delivered to City representatives.

In consideration of which, and other considerations hereinafter set forth, it is mutually agreed as follows:

1. The parties have herein set forth the whole of their agreement. The performance of this Agreement constitutes the entire consideration for said document and shall relieve the City of all further obligations or claims concerning the City's acquisition of the Property, or on account of the location, grade or construction of the proposed public improvements, except as stated in Paragraphs 2.E. and 2.F. below.

2. The City shall:

A. PAYMENT - Pay to the order of the Grantor the sum of \$47,800.00 as consideration in full for the real property rights described in the Deed, for the loss, replacement and moving of any improvements, and for entering into this Agreement. Said sum shall be paid at close of escrow, which shall occur when title to the Property has vested in City free and clear of all liens, encumbrances, assessments, easements and leases, recorded or unrecorded, except as have been accepted in writing by the City .

B. RECORDATION OF INSTRUMENT - Accept the Deed herein referenced and cause the same to be recorded in the office of the Ventura County Recorder at such time as when clear title can be conveyed.

C. MISCELLANEOUS COSTS - Pay all escrow, title insurance, and recording fees incurred in this transaction.

D. CLEARANCE OF BONDS, ASSESSMENTS, OR DELINQUENT TAXES -- Have the authority to deduct and pay from the amount shown in Clause 2.A. above any amount necessary to satisfy any bond demands and delinquent taxes due in any year except the year in

which this escrow closes, together with penalties and interest thereon, and/or delinquent and unpaid nondelinquent assessments which have become a lien at the close of escrow.

E. CONSTRUCTION AND TEMPORARY EASEMENT AREA RESTORATION-

Generally restore that portion of Grantor's real property utilized for the Temporary Construction Easement to a comparable condition as that which existed before City's construction, to the extent reasonably practical.

F. ACCESS TO THE PROPERTY – In connection with this Hueneme Road Widening Project, City agrees as follows:

1. During construction of the Project, City shall provide a location on Grantor's Property for access to Hueneme Road for ingress and egress to the Grantor's Property in its current vacant condition. The access will be provided by City in conformance with applicable City regulation(s) and ordinance(s).

2. The sole access to the Grantor's Property presently is from Hueneme Road. City agrees that Grantor, if and when it develops the Grantor's Property, shall not be barred from access from Hueneme Road, unless another means of access from a public street is available. The placement of access driveway(s) shall be determined, if and when the Grantor's Property is developed and in connection with applications for entitlements or permits to develop that are submitted to the City.

3. Vehicular U-turns are currently permitted for eastbound Hueneme Road at its intersection with Conner Drive. The City reserves the right to alter these traffic patterns in the future to best serve the general motoring public.

G. INDEMNIFICATION – Defend, indemnify and hold harmless Grantor from any and all claims, damages, costs, judgments or liability caused by City or its officers, employees or agents specifically arising from the City construction work on the Property during the temporary easement period specified in the Deed.

3. The Grantor:

A. PAYMENT ON MORTGAGE OR DEED OF TRUST - Agrees that any or all monies payable under this Agreement up to and including the total amount of the unpaid principal and interest on the note(s) secured by mortgage(s) or deed(s) of trust, if any, and all other amounts due and payable in accordance with the terms and conditions of said mortgage(s) or deed(s) of trust, shall upon demand(s) be made payable to the mortgagee(s) or beneficiary(s) entitled thereunder.

B. LEASE INDEMNIFICATION - Warrants that there are no oral or written leases on all or any portion of the areas described in the Deed. If there are any leases, Grantor agrees to hold the City harmless and reimburse City for any and all of its losses and expenses occasioned by reason of any lease of said property held by tenant of Grantor.

C. PERMISSION TO ENTER - Grants to the City, its agents and contractors, permission to enter upon the real property areas described in the Deed, including the temporary construction easement area, before the close of escrow for the purposes of preparation for and construction of the City's road project, subject to all applicable terms and conditions contained in this Agreement and the associated Deed.

D. HAZARDOUS WASTE - Warrants and represents that Grantor has no reason to believe that any hazardous waste, extremely hazardous waste, or hazardous substance (as those terms are defined in sections 25117, 25115, and 25316 of the California Health and Safety Code) has come to be located on, beneath or within the Easement Areas described in the Deed. If Grantor becomes aware of the presence of any hazardous waste, extremely hazardous waste, or hazardous substance on, beneath, or within these areas, Grantor shall immediately so advise the City.

4. The City and Grantor agree:

A. ESCROW - To open an escrow in accordance with this Agreement at Camarillo Escrow Company. This Agreement constitutes the joint escrow instructions of City and Grantor, and the Escrow Agent to whom these instructions are delivered is hereby empowered to act under this Agreement. The parties hereto agree to do all acts necessary to close this escrow in the shortest possible time.

As soon as possible after opening of escrow, City will deposit the executed Deed, with Certificate of Acceptance attached, with the Escrow Agent on Grantor's behalf. City agrees to deposit the purchase price upon demand of the Escrow Agent. City and Grantor agree to execute and deposit with Escrow Agent all additional instruments as may be necessary to complete this transaction. All funds received in this escrow shall be deposited with other escrow funds in a general escrow fund account(s) and may be transferred to any other such escrow trust account in any State or national bank doing business in the State of California. All disbursements shall be made by check from such account.

Any taxes which have been paid by Grantor, prior to opening of this escrow, shall not be pro-rated between City and Grantor, but Grantor shall have the sole right after close of escrow, to apply to the County Tax Collector of Ventura County for any refund of such taxes which may be due Grantor for the period after City's acquisition.

- i) ESCROW AGENT DIRECTIVES - The Escrow Agent is authorized to, and shall:
- a) Pay and charge Grantor for any due and unpaid taxes and/or any penalties and interest thereon, and for any delinquent assessments or bonds against that portion of the Property subject to this Agreement, as required to convey clear title.
 - b) Pay and charge City for any escrow fees, charges and costs payable under Paragraph 2.C. of this Agreement.

- c) Disburse funds and deliver the Deed when conditions of this escrow have been fulfilled by City and Grantor.
- d) Following recording of the Deed, provide City with a CLTA Standard Coverage Policy of Title Insurance in the amount of \$47,800.00 issued by Chicago Title Company showing that title to the Property is vested in City, subject only to the following exceptions, and the printed exceptions and stipulations in said policy:
 - 1) The lien for real property taxes not yet due and for assessments not yet due and real property taxes for the fiscal year in which escrow closes; and
 - 2) Other items as may be approved in writing by City.

ii) CLOSE OF ESCROW - The term "close of escrow", if and where written in this Agreement, shall mean the date necessary instruments of conveyance are recorded in the office of the County Recorder. Recordation of instruments delivered through this escrow is hereby authorized. **TIME IS OF THE ESSENCE IN THESE INSTRUCTIONS AND ESCROW IS TO CLOSE AS SOON AS POSSIBLE.** If (except for deposit of money by City, which shall be made by City upon demand of Escrow Agent before close of escrow) this escrow is not in condition to close within 150 days from date of these instructions, any party who then shall have fully complied with his instructions may, in writing, demand the return of his money or Property; but if none have complied, no demand for return thereof shall be recognized until five (5) days after Escrow Agent shall have mailed copies of such demand to all other parties at their respective addresses shown in these escrow instructions, and if any objections are raised with said five (5) day period, Escrow Agent is authorized to hold all papers or documents until instructed by a court of competent jurisdiction or mutual written instructions. If no demands are made, proceed with closing this escrow as soon as possible.

B. TESTING, INSPECTION, ENTRY ON PREMISES, AND RESPONSIBILITY FOR CONDITION OF PREMISES - Grantor grants to City, and its authorized agents, permission to enter upon the Property at all reasonable times prior to close of escrow for the purpose of making all such inspections, tests, borings, samplings, and other such investigations as City shall deem reasonable to determine the physical condition of the Property, including, but not limited to, the existence of asbestos, lead-based paint and other surface coverings, and the existence on or contamination of the Property by "hazardous materials". Should City discover any physical condition of the Property which City deems unacceptable, City may terminate this Agreement and cancel the escrow, by giving written notice to Grantor and escrow holder within forty-five (45) days after the date of City's execution of this Agreement. Upon receipt of written notice of City's intent to terminate this Agreement, escrow holder shall return all money and documents deposited in escrow to the party originally making such deposit, and neither party shall have any further obligation to the other under this Agreement. City's failure to give written notice of termination of this Agreement within forty-five (45) days of the date of City's execution of this Agreement shall be deemed City's acceptance of all such conditions of the Property as City could

have discovered by reasonable inspection, testing, boring, sampling, and other investigations of the Property.

As used in this Agreement, the term "hazardous materials" means all flammable, explosive, noxious, toxic, or otherwise dangerous materials, wastes, products, or substances, the handling, use, discharge, or release of which is regulated or the contamination by which is prohibited by any federal, state, or local statute, ordinance, rule, or regulation, including, but not limited to, those substances defined as "hazardous substances," "hazardous materials," or "toxic substances" in the Comprehensive Environmental Response Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq.; The Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq.; The Resource Conservation & Recovery Act, 42 U.S.C. Section 6901, et seq.; and also including those substances defined as "hazardous waste" in Section 25117 of the California Health and Safety Code or as "hazardous substances" in Section 25316 of the California Health and Safety Code; and those chemicals to which reference is made in the Safe Drinking Water and Toxic Enforcement Act of 1986, Section 25249.5, et seq. of the California Health and Safety Code.

C. JUDGMENT IN LIEU OF DEED - In the event Grantor is unable to deliver title in a reasonable time under the terms of the Agreement, the City may file an action in eminent domain to pursue the acquisition of the real property interests described in the referenced Deed, and this Agreement shall constitute a stipulation which may be filed in said proceedings as final and conclusive evidence of the total amount of damages for the taking, including all of the items listed in Section 1260.230 of the Code of Civil Procedure, regarding said property rights.

D. ARTICLE HEADINGS - Article headings in this Agreement are for convenience only and are not intended to be used in interpreting or construing the terms, covenants and conditions of this Agreement.

E. COMPLETE UNDERSTANDING - This Agreement constitutes the entire understanding between the parties with respect to the subject matter hereof, superseding all negotiations, prior discussions, and preliminary agreements or understandings, written or oral. This Agreement may not be amended except in writing by the parties hereto or their successors or assigns.

F. CITY COUNCIL APPROVAL - This Agreement is subject to and conditioned upon approval and ratification by the City Council of the City of Oxnard. This Agreement is not binding upon the City until executed by the appropriate City official(s) acting in their authorized capacity.

No Obligation Other Than Those Set Forth Herein Will Be Recognized.
