SUBJECT: Purchase Order for Self Contained Breathing Apparatus Air Bottles

RECOMMENDATION

That City Council authorize the Mayor to sign a Change Order in the amount of \$4,649 to Purchase Order 003495 for the purchase of self contained breathing apparatus air bottles from L.N. Curtis and Sons, increasing the Purchase Order to \$314,852.05.

DISCUSSION

On December 8, 2009, Council approved a purchase order for L.N Curtis and Sons in the amount of \$310,203 for the purchase of self contained breathing apparatus and associated equipment. Funding for this purchase was received through a 2009 grant from the Department of Homeland Security (DHS) for the purchase of self contained breathing apparatus (SCBA). In 2008, the Fire Department was awarded a grant from DHS for \$32,000 for hazardous materials response training. After reimbursement for the hazardous materials response training, the 2008 grant had a balance of \$4,649. DHS has authorized the transfer of the balance of \$4,649 from the 2008 hazardous materials response grant to the 2009 SCBA grant. The additional funds will be used to purchase 11 self contained breathing apparatus air bottles.

FINANCIAL IMPACT

Approval of this recommendation will have no impact on the General Fund Operating Reserve. The purchase is funded from State Homeland Security Grants.
