SUBJECT: **Third Amendment to Agreement with Aquatic Bioassay and Consulting Laboratories, Inc. for Receiving Water Monitoring Services**

RECOMMENDATION

That City Council approve and authorize the Mayor to execute the Third Amendment to the Agreement with Aquatic Bioassay and Consulting Laboratories, Inc. (ABC Labs) to increase the amount by \$279,240 for a total of \$1,116,960 for receiving water monitoring services (Agreement No. A-6892) and extend the contract expiration date to June 30, 2011.

DISCUSSION

Wastewater treatment plants which discharge to the Pacific Ocean are required to monitor the ocean water to assure compliance with Federal and State discharge regulations. The Environmental Protection Agency and the Regional Water Quality Control Board provide permit requirements with which the City must comply. In order to meet these requirements, the City hires a qualified firm to perform receiving water monitoring activities and issue reports in conformance with the City's Wastewater Treatment Plant National Pollutant Discharge Elimination System Permit.

The scope of services to be performed by ABC Labs include, but are not limited to, offshore monitoring, benthic monitoring, sediment toxicity monitoring, demersal fish and macroinvertebrate monitoring, annually surveying the ocean outfall, attending quarterly meetings, and preparing and producing reports.

On May 15, 2007, the City issued a Request for Proposals to qualified firms to conduct monitoring of the Wastewater Treatment Plant's receiving waters. Based on the firm's technical and professional qualifications, and its previous experience conducting the City's receiving water monitoring program, the Water Resources Division selected ABC Labs to provide the required services. The City and ABC Labs subsequently executed an agreement for one (1) year of monitoring service, with the option to extend up to five (5) additional one-year terms. ABC Labs has completed the first three years of monitoring. Execution of the Third Amendment would represent the third of five (5) one (1) year

extensions, leaving the potential for two (2) remaining one (1) year extensions based on successful completion of the terms of the monitoring program.

FINANCIAL IMPACT

The estimated cost for services in the Third Amendment is not to exceed \$279,240 and will increase the total cost of the Agreement from \$837,720 to \$1,116,960. Funding for the contract cost is recommended for the FY 2010-11 budget in the Wastewater Treatment Fund 621, Account No. 621-6201-842-8201.
