SUBJECT: Appropriation of P.O.S.T. Police Training Funds

RECOMMENDATION

That City Council recognize revenue in the amount of \$60,000 in the Peace Officer Standards and Training (POST) Reimbursement Training Fund and appropriate these funds to the Oxnard Police Department Training Program to support police training requirements through the end of FY 2009-2010.

DISCUSSION

In August 1999, the Police Department received authorization to establish a training fund to capture P.O.S.T. reimbursement monies for expenses incurred while attending P.O.S.T. certified training courses. The Police Department was authorized to request City Council approval to appropriate current year recognized P.O.S.T. revenues if the base year General Fund budget was expended and additional training funds were needed during that fiscal year.

FINANCIAL IMPACT

Approval of this recommendation will have no impact on the General Fund Operating Reserve. The special budget appropriation will appropriate \$54,000 in revenue to the training programs for patrol (103-2101-802-8343) and \$6,000 for investigations (103-2102-802-8343).
