Prepared By: Lou Balderrama, City Engineer Agenda Item No. I-14  
 Reviewed By: City Manager [Signature] City Attorney [Signature] Finance [Signature] Public Works [Signature]

**DATE:** November 4, 2010

**TO:** City Council

**FROM:** Rob Roshanian, Interim Public Works Director  
Public Works Department

**SUBJECT:** PW10-14 Bartolo Square South Neighborhood Street and Utility Improvement Project Phase 2 (Bartolo Square South Project)

**RECOMMENDATION**

That City Council approve Project Specification No. PW10-14 for pavement resurfacing, sidewalk, curb and gutter repair, replacing street name signs, and water main replacement in the Bartolo Square South Project bounded eastward to J Street, westward to Ventura Road, northward to Hemlock Street, and southward to Channel Islands Boulevard and authorize staff to solicit bids.

**DISCUSSION**

The specific work includes the furnishing of all materials, tools, equipment, and labor required to make necessary repairs to sidewalk, curbs, gutters and other concrete structures, pavement resurfacing, traffic markings, install new street name signs, and water main replacement.

Funding for the street reconstruction portion of this project will come from Proposition 1B funds (Prop 1B), State voter approved bonds for local road street improvements, and Community Development Block Grant (CDBG) funds. These funds are only eligible for street improvements such as pavement repair and reconstruction. Funding for the water main replacement portion of this project will come from the Water Operating Fund as Prop 1B and CDBG funding are not eligible for this cost.

**FINANCIAL IMPACT**

There is no financial impact to Council's action on this item. After the project bids are received and evaluated, staff will return to City Council to recommend approval of the lowest responsible bidder.

Attachment #1 - Project Site Map for Bartolo Square South Project Phase 2

Note: Plans and specifications for PW10-14 for the Bartolo Square South Project Phase 2 are available for review at the Capital Improvement Projects Management Office located at the City Hall Building, 305 West Third Street - East Wing, Second Floor after 8:00 a.m. on Monday prior to the City Council meeting.
