SUBJECT: Third Amendment to Agreement for Trade Services with Polydyne, Inc. for Supply and Delivery of Clarifloc C-6264 Polymer to the Wastewater Treatment Plant

RECOMMENDATION

That City Council:

Approve and authorize the Mayor to execute the Third Amendment to the Agreement with Polydyne, Inc. to increase the compensation in the amount of \$160,000 for a total not to exceed amount of \$600,000 for supply and delivery of Clarifloc C-6264 Polymer to the Wastewater Treatment Plant (Agreement No. 4611-08-PW).

DISCUSSION

Approximately 50 million gallons of biosolids are processed annually at the Wastewater Treatment Plant (WWTP). Liquid emulsion polymers, such as Clarifloc C-6264, are an essential element in this treatment process, and are used to dewater and solidify the treated biosolids for disposal in compliance with regulatory requirements. Removal of biosolids from the treated effluent is necessary to ensure that wastewater discharged to the ocean is free of contaminants.

On July 24, 2008, the City issued a competitive Request for Bid for supply and delivery of polymer to the WWTP. The bid process included three phases: 1) bench testing of the proposed polymers to verify performance, 2) full-scale testing of the pre-qualified polymers to determine annual consumption, and 3) receipt of bids from the pre-qualified bidders. Polydyne, Inc. (Polydyne) was the lowest responsive and responsible bidder of the three bids received by the closing date of September 24, 2008.

The City and Polydyne subsequently executed an agreement for one year of supply and delivery of Clarifloc C-6264 Polymer, with an option to extend up to two additional one-year terms for a total cost not to exceed \$600,000. Polydyne has completed two years of supply and delivery. This Third Amendment will provide enough polymer for operation of the WWTP until June 30, 2011. The Purchasing Division and Public Works Department are currently completing specifications in advance of a Request for Bids.

FINANCIAL IMPACT

Funds are available in the Wastewater Operating Fund Account Number 621-6202-843-8104 to cover the cost of these services.

Attachment #1 - Third Amendment to Agreement No. 4611-08-PW

THIRD AMENDMENT TO AGREEMENT FOR TRADE SERVICES

This Third Amendment ("Third Amendment") to the Agreement for Trade Services ("Agreement") is made and entered into in the County of Ventura, State of California, this 14th day of December, 2010, by and between the City of Oxnard, a municipal corporation ("City"), and Polydyne, Inc. ("Vendor"). This Third Amendment amends the Agreement entered into on October 15, 2008, by City and Vendor. The Agreement previously has been amended on September 15, 2009, by a First Amendment, and on September 21, 2010, by a Second Amendment.

City and Vendor agree as follows:

1. In section 4 of the Agreement, the figure "\$440,000" is deleted and replaced with the figure "\$600,000".
2. As so amended, the Agreement remains in full force and effect.
