## Introduction

The Oxnard City Council establishes policies and priorities for the community and is responsible for the fiscal health of a public corporation with an annual budget, including capital and general fund dollars of over \$330 million. Oxnard is a “full service” city, with its own police, fire, water and refuse departments and is an organization with over 1,600 employees that has assets valued in excess of \$1 billion (roads, buildings, parks, etc).

## Purpose of the Procedures Manual

By developing and agreeing to adhere to the following rules and procedures, the effective administration of City Council affairs will be greatly enhanced. While attempting not to be overly restrictive, procedures are established so that expectations and practices can be clearly articulated to guide the Mayor and Council Members in their actions. It is anticipated that this Procedures Manual will be reviewed every two-years by the City Council and may be revised from time to time.

## Overview of City Documents

This procedures manual provides a summary of important aspects of City Council activities. However, it cannot incorporate all material and information necessary for undertaking the business of a city council. Many other laws, policies, plans and documents exist which bind the City Council to certain courses of action and practices. A summary of some of the most notable documents that establish City Council direction is provided below.

**Municipal Code:** The Municipal Code contains local laws and regulations adopted by ordinances. The Administrative Chapter of the Code shall incorporate by reference the rules and procedures established herein including the roles of the Mayor, Mayor Pro Tem and City Council. Included in the Administrative Chapter of the Code is appointment of certain city staff positions and the establishment, qualifications, appointment and terms applicable to certain advisory commissions. In addition to these administrative matters, the Municipal Code contains a variety of laws. The Municipal Code is available either on the City’s website or from the City Clerk.

**California Government Code:** The State Government Code contains many requirements for the operation of city government. Many of these requirements are also replicated within the Municipal Code to ensure there is broad awareness of such requirements. Oxnard is a “general law” city, which means it is organized in accordance with provisions of the State Government Code. The government code provides for Oxnard’s City Council-City Manager form of government, which was adopted as the City’s form of government by ordinance. Basically, this form of government prescribes that a city council’s role is to establish policies and priorities, while the role of the City Manager is to oversee the operations of the city government.

**Annual Budget:** The City’s annual budget provides a description of City services and the resources used to provide services. The document contains both a broad overview of the budget inclusive of descriptions of programs and services organized for convenience by lead Departments. The City operates on a July 1<sup>st</sup> through June 30<sup>th</sup> fiscal year with a budget that includes the following funds: general, capital, enterprise and internal service.

**General Plan:** The General Plan is comprised of a number of elements, such as land use, transportation, open space, sea walls, sites, and housing, all in accordance with State requirements, and provides a policy framework for various matters that fall within these areas.

## **Orientation of New Council Members**

It is important that members of the Council have an understanding of the full range of services and programs provided by the organization. As new members join the City Council the City Manager arranges for new member training, conferences and familiarization with all facets of City government.

## **League of California Cities Guide**

A publication that provides additional useful information is the *Mayors and Council Members Resource Guide* published by the League of California Cities. The Guide contains general information on the role and responsibilities of city council members and on the specific requirements and laws that govern Council actions. The Guide is available from the City Clerk.

# Oxnard City Council: Powers and Responsibilities

## City Council Generally

The powers of a city council in California to establish policy are quite broad. Essentially, councils may undertake any action related to the establishment of city policies that affect city affairs other than those that are denied by the California Constitution and general laws or are preempted by state or federal law. Specifically, *the Council shall have the power, in the name of the city, to do and perform all acts and things appropriate to a municipal corporation and the general welfare of its inhabitants, subject to statutory limitations and which are not specifically forbidden by the Constitution and laws of the State of California (California Government Code).*

It is important to note that the Council acts as a body. No member has any extraordinary powers beyond those of other members. While the Mayor and Mayor Pro Tem have some additional ceremonial and administrative responsibilities as described below, in the establishment of policies, voting and in other significant areas, all members are equal. It is also important to note that policy is established by at least a majority vote of the Council. While individual members may disagree with decisions of the majority, a decision of the majority does bind the Council to a course of action. In turn, it is staff's responsibility to ensure the policy of the Council is upheld. Actions of staff to pursue the policy direction established by a majority of Council does not reflect any bias against Council members who held a minority opinion on an issue.

The City Council has occasionally debated whether it should take positions of a broader nature or limit itself to purely municipal functions. Historically, Oxnard City Councils have chosen to not take positions on issues outside of their immediate authority to effect. The propensity of the City Council to involve itself in such issues reflects the personalities and outlooks of the members who make up the two-year Council sessions.

Limitations are imposed on a Council member's ability to serve on appointed boards of the city. State law expresses that no member of the Council shall serve as a voting member of any city board, committee, or commission, whether composed of citizen volunteers, city employees, or a combination of both. This is not construed as prohibiting members of the Council from serving on committees or subcommittees of the Council itself, or of agencies representing other levels of government. In fact, Council members often participate and provide leadership in regional and state programs and meetings. Council members are strongly encouraged to provide a written report to the Council on matters discussed at subcommittees and other regional or State board/agency/group activities in which they have been involved.

## Role of Mayor & Mayor Pro Tempore

**Mayor:** The Mayor is to preside at all meetings of the City Council. The Mayor does not possess any power of veto. As presiding officer of the Council, the Mayor is to faithfully communicate the will of the Council majority in matters of policy. The Mayor is also recognized as the official head of the City for ceremonial purposes only.

The Mayor, unless unavailable, shall sign all ordinances, and other documents that have been adopted by the City Council and require an official signature; except in those instances when the City Manager has been authorized by Council action to sign documents. In the event the Mayor is unavailable, the Mayor Pro Tempore's signature will be used.

**Mayor Pro Tempore:** The City Council has specified that the Mayor Pro Tempore shall perform the duties of the Mayor during the Mayor's absence or disability. The Mayor Pro Tempore shall serve in this capacity at the pleasure of the City Council.

## **Appointment of City Manager and City Attorney**

The City Council only has the authority to appoint two positions within the City organization: the City Manager and the City Attorney. Both positions serve at the will of the City Council. The City Manager is an employee of the City and has an employment agreement that specifies certain terms of employment including an annual evaluation by the City Council. The City Manager is responsible for all other personnel appointments within the City. The current City Attorney is an employee of the City and has an employment agreement that specifies certain terms of employment including an annual evaluation by the City Council.

## **Role in Disaster**

In consultation with the City Manager, the City Council may be asked to participate at the City's Emergency Operations Center (EOC), located within the Fire Department, to provide policy guidance and to receive information in an emergency. Should the City Council not be available during an emergency, State law specifies a hierarchy of others who may serve in place of the City Council.

## **Appointment of Advisory Bodies**

The City has a number of standing advisory bodies, the rules, regulation and requirements of which can be found in the Administrative Chapter of the City Code.

# City Council Meetings

## General Procedures

Resolution number 13,126 states that the City Council has agreed to adhere to the latest revised edition of Roberts Rules of Order.

**Presiding Officer:** The Mayor is the presiding officer and acts as chair at Council meetings. In the absence or incapacity of the Mayor, the Mayor Pro Tempore serves as presiding officer.

**Seating arrangement of the Council:** The Mayor Pro Tempore is seated immediately next to the Mayor. The Mayor, with the approval of individual Council members, shall establish the seating arrangement for regular Council meetings.

**Quorum:** Three-fifths of the Council members constitute a quorum for the transaction of business.

## Meeting Schedule

Regular meetings are usually held in the Council Chambers, at 305 West Third Street, on Tuesdays at 7 pm. Closed sessions are generally convened, as needed, prior to or at the end of a regularly scheduled meeting.

No Council meeting will typically be held in the event that a regular meeting of the Council falls on a legal holiday or in the same week of a legal holiday. Council does not meet on the fifth Tuesday of the month. Other meetings throughout the year may be cancelled. The Mayor and Council Members should inform the City Manager's secretary as soon as possible if they intend to be out of town on a set meeting date.

## Special Meetings

Special meetings may be called by a majority of the City Council in compliance with the Brown Act (California Government Code). Written notice must be given to the public and to the media twenty-four (24) hours prior to a special meeting. No business other than that officially noticed may be discussed. The City Council may call a special meeting to discuss goals and priorities for the upcoming year.

Public Comment: At all regular and special meetings, public comments must be permitted before or during consideration of any agenda item. Public comment is appropriate on any matter within the jurisdiction of the City Council.

Meeting Notices and Minutes: Notice requirements of the Brown Act are complied with for all meetings; minutes of the meeting are taken by the City Clerk or designee and made available for public inspection.

## Development of Agenda

By Ordinance number 2,368 the City Council has established their meeting calendar. A copy of the agenda is transmitted to the Council on the Friday prior to the scheduled meeting. All agenda materials are available during normal business hours, after 6:00 pm on the Thursday before the Tuesday Council meeting at the Main Branch of the Public Library and the Office of the City Clerk. Website posting of the agenda concurs with the Council calendar.

## Placing Items on Agenda

**City Council:** A Council Member may request an item be considered on a future agenda and, upon agreement of a majority of Council, staff will prepare a staff report if formal Council action is required. Council Members may make this request verbally during a public meeting or may submit written requests by and through the City Manager. Normally, the process involves two steps: (1) initial consideration of the request considering information provided by the City Manager regarding the potential impact the request will have on established priorities and staff workload before expenditure of significant staff resources, by the full Council at the soonest possible regularly scheduled meeting; and (2) if a majority agrees, the matter is then scheduled for further consideration on an upcoming meeting agenda; however, if a majority of the Council so agrees the matter may be scheduled without the initial consideration described above.

**Emergency and Non-Agendized items:** Emergency and non-agendized items may be added to an agenda only in accordance with state law. Emergency items are only those matters affecting public health or safety such as work stoppages, disasters and other severe emergencies. Adding an emergency item requires a majority vote. Emergency items are very rare. More likely, after the agenda has been posted an item arises that the Council would like to act on. Non-agendized items may be added to the agenda only if the Council makes findings that (1) the need to consider the item if it arose after the posting of the agenda, and; (2) there is a need to take immediate action at this meeting of the City Council. These findings must be approved by a 4/5th vote; if less than five members of Council are present, the findings require a unanimous vote of those present.

## Notification and Advertising

The City will continue to publicize matters of significant neighborhood or community public interest that appear on a City Council agenda, as well as all matters where advertising is required by law.

## Order of Business

Per Council Resolution number 13,126 the City Council has established the Rules of Procedure for the Conduct of City Council meetings.

**Public Comment:** A block of thirty (30) minutes time is set aside at the beginning of the meeting to receive general public comment about issues not on the agenda. Public comments not heard during this thirty minute period will be heard just prior to adjournment. Comments on agendized items are not heard until the appropriate item is called. Individuals desiring to speak are to address the Council from the speaker podium. Speaker cards should be filled out and given to the City Clerk prior to Public Comment.

Comments should focus on a specific matter within the Council's jurisdiction. Members of the public are encouraged to present written comments, preferably in advance of the meeting.

a way to fully communicate their thoughts on agendized or non-agendized items. When written materials are presented, they should be submitted to the City Clerk for distribution and record keeping ahead of time. Comments are typically limited to three minutes per speaker so that all can have an opportunity to address the Council.

Videos, PowerPoint or similar presentations during public comment ordinarily are not permitted. Prior notice and coordination with the City Clerk is strongly encouraged and the Mayor reserves the privilege to limit such requests as necessary for the effective conduct of the meeting. Speakers are to address their comments to the City Council from the podium.

Public Comment on regular business items normally follows staff's presentation of the staff report, clarifying questions from Council members and applicant comments as necessary and appropriate.

## Discussion Rules

To assist the City Council in the orderly discussion of items, rules are followed which represent accepted practices for the management of Council meetings.

1. **Obtaining the Floor:** A member of the City Council or staff shall first address the presiding officer to gain recognition. Comments and questions should be directed through the chair and limited to the issue before the Council. Cross-exchange between Council Members and public should be avoided.
2. **Questions to Staff:** A Council Member shall, after recognition by the presiding officer, address questions to the City Manager, City Attorney, department head or designated staff member. If a Council Member has questions on an agenda item, that member should preferably contact the City Manager prior to the meeting in order to allow the City Manager to direct staff with enough time to research a response for the meeting.
3. **Interruptions:**
  - a. Once recognized, a Council Member is considered to have the floor, and another Council Member may not interrupt the speaker except to make a point of order or point of personal privilege. In such a circumstance, the Council Member holding the floor shall cease speaking until the point of order or privilege is resolved.
  - b. Upon being recognized by the Chair, members of the staff shall hold the floor until completion of their remarks or until recognition is withdrawn by the Chair.
4. **Discussion:** A Council Member should not speak more than once on a particular subject until every other Council Member has had the opportunity to speak. Council Members are encouraged to discuss items during the decision-making process and may ask staff to respond when appropriate. The Mayor normally allows other members to speak first, then will give his/her views and summarize.
5. **Tabling Procedure:** Tabling an item immediately stops discussion and causes a vote to postpone a matter indefinitely or to a time and date certain. A motion to "continue" an agenda item has the same effect, but is generally used when a scheduling problem arises or when insufficient time is available to address the matter thoroughly.

6. **Right of Protest:** A Council Member is not required to state reasons for a dissenting vote.
7. **Calling for the Question:** The purpose of calling for the question is to disallow further debate and put an issue to an immediate vote. A Council Member may move to “call for the question” on an item which is being considered. The motion requires a second, is not debatable, and must pass by a four-fifths vote. If the motion carries, the item is no longer debatable and the City Council must vote on it.
8. **Conducting Business at a Late Hour.** According to Council policy, all regular meetings of the Council are to end by 11:00 p.m. unless there is a three-fourths vote taken by 10:30 p.m. to extend the meeting. The motion to extend is to include the title of the items to be considered after 10:30 p.m. and a new ending time for the meeting.

## Voting Procedures

When present, all Council Members are to vote unless prohibited by law or conflict of interest. Failure of a seated member to orally express a vote constitutes an affirmative vote.

No ordinance, resolution or motion approving the payment of money shall be passed or become effective without an affirmative vote by the majority with a quorum present.

A conflict of interest shall be declared whenever appropriate and in compliance with state law. The affected Council Member will step down from the dais and leave the Chambers.

Council members may declare general consensus at the discretion of the presiding officer, if there are no negative votes or objections.

Upon the request of any Council Member, a roll call vote will be taken and recorded.

**Tie Vote:** A tie vote is equivalent to a motion that has failed. The presiding officer may publicly explain the effect of the tie vote for the audience or may direct the City Attorney to do so.

**Motions.** There are a number of types of motions, each of which must meet certain requirements before a vote can be taken. Enactment of an ordinance, adoption of a resolution, as well as approval of a motion or order involving a payment of money require the vote of three Councilmembers. Other motions or action require a vote in favor of the action or motion by a majority of a quorum of Councilmembers present.

**Reconsideration.** Reconsideration of an item shall be allowed in accordance with the following Council guidelines. A member of the prevailing majority when the previous vote was taken must make a motion for reconsideration. The City Council has determined that any motion for reconsideration should be made at the meeting immediately following that at which the action was taken. No motion for reconsideration will be entertained after this time unless the City Council determines significant new information has arisen which warrants such action.

## Other Guidelines

Other guidelines have been developed to ensure that meetings of the Council are conducted in a civil and professional manner. Council members and staff shall:

1. Work to preserve appropriate order and decorum during all meetings.
2. Discourage side conversations, disruptions, interruptions or delaying efforts.
3. Inform the presiding officer before departing from a meeting.
4. Limit disruptive behavior. The presiding officer will call persons demonstrating rude, boisterous, or profane behavior to order. If such conduct continues, the presiding officer may call a recess, request the removal of such person(s) from the Council Chambers, adjourn the meeting, or take such other appropriate action. The Council has a policy to discourage applause, booing or other similar behaviors from the public during meetings.
5. Recognize that only the City Council, staff, advisory body chairs or designated representatives, and those authorized by the presiding officer shall be permitted to sit at the Council or staff tables.
6. Limit breaks of the City Council to 5-10 minutes. The Mayor will resume the meeting if a quorum exists and other members have not returned from the break within the announced time period.
7. Impose time limits on speakers. While the City Council encourages and embraces the need for and right of public participation, it acknowledges that public comments must, at times, be limited. The Mayor, as presiding officer, may poll the audience for an indication of the number of people wishing to speak on a particular item, and to impose time limits per speaker. Typically, speakers are limited to three minutes but a shorter time limit may be established as deemed necessary; however, project applicants, developers of a project under consideration, representatives of affected homeowners associations, neighborhood councils or similar groups may, at the discretion of the presiding officer be granted a longer time period for comment. After the time limit, Council may ask questions of the speaker for clarification, if needed. Each speaker will be thanked for his or her participation.
8. Meetings outside the City of a majority of City Council, even if permissible under the Brown Act, are discouraged, so as to maximize public participation.

**Values of Respect:** The City Council has also recognized the importance of approaching the public's business in an environment of personal respect and courtesy, which places emphasis on the consideration of policy and avoids personalization of comments. Some guidelines utilized by the City Council include:

1. Discussion should focus on policy matters
2. Personal criticism of members is inappropriate
3. Proper decorum should be displayed as other members express their views
4. Treat members of the public equally, applying rules in a fair and consistent manner

**Enforcement of Order:** The Police Chief or his designee acts as the Sergeant-At-Arms. Any Council Member may request the presiding officer to enforce the rules of protocol. Upon motion and majority vote, the presiding officer shall be required to do so.

## Open Meeting Laws ( the "Brown Act")

Operations and procedures of the City and City Council incorporate requirements of the State's open meeting laws (commonly referred to as the Brown Act). Because this law is such an important part of local government operations, some specific requirements of the law are highlighted below.

**Applicability and Penalties:** The entire City organization conducts its business in compliance with the Ralph M. Brown Act, State Government Code Section 54950. The intent of the Act is to ensure that deliberation and actions of local public agencies are conducted in open and at public meetings.

- A. Applicability: The Act applies to Council and all commissions, boards and Council appointed subcommittees (except if comprised entirely of two Council Members) and task forces that advise Council. Staff cannot promote actions that would violate the Act.
- B. Meetings: All meetings shall be open and public. A City Council meeting takes place whenever a quorum (3 or more members) is present and information about the business of the body is received; discussions qualify as a meeting. Social functions (e.g., receptions, dinners) do not fall under the Act unless City business is discussed.

Serial meetings take place when any member of Council or City staff contact more than two Council Members for the purpose of deliberating or acting upon an item pending before the City Council. This restriction does not apply to the public or media who may contact Council Members. Correspondence that merely takes a position on an issue is acceptable. Note that the Brown Act applies to City Council Members immediately after their election and prior to their swearing-in ceremony.

- C. Agendas: Agendas for regular meetings must be posted 72 hours in advance of the meeting and must meet various requirements.
- D. Actions: No action can be taken on any item not appearing on the posted agenda.

*Exceptions:* 1) An emergency situation exists (determined by a majority of the Council). 2) The need to take action arose subsequent to the agenda being posted and there is a need for immediate action (determined by 2/3 vote of the Council; or if less than 2/3 are present, by unanimous vote). 3) The item was continued to another meeting that was scheduled and posted within 5 days of the original agenda.

- E. Public Input: The Brown Act contains provisions concerning Public Comment on matters within the City Council's jurisdiction and particular matters on the agenda, summarized elsewhere in this manual. These provisions will be followed by the City Council.
- F. Public Disruptions: A portion or all of the public may be removed if willful disruption makes conducting the meeting "unfeasible"; the press may remain unless they participate in the disruption.
- G. Correspondence: All writings distributed for discussion or consideration at a public meeting are public records.
- H. Special Meetings: Special meetings may be called by the Mayor or a majority of the Council with strict notification requirements for delivery to the media and Council twenty-four (24) hours before the time of the meeting.

- I. Emergency Meetings: Emergency meetings may be called without notification due to the disruption or threatened disruption of public facilities. Only work stoppages or crippling disasters that impair the public health and/or safety qualify for emergency meetings.
- J. Other Provisions: The Brown Act provides many other restrictions and requirements; this chapter is intended merely as a Council summary and overview of the Brown Act, and nothing in this Chapter supersedes the provisions of the Brown Act. Please check with the City Attorney and/or the City Clerk for more information.

# Council Communications

### Overview

Perhaps the most fundamental role of a Council Member is communication—communication with the public to assess community opinions and needs—communication with staff to provide policy direction and to gain an understanding of the implications of various policy alternatives. Because the City Council performs as a body (that is, acting based on the will of the majority as opposed to individuals), it is important that general guidelines be understood when speaking as a Council Member. Equally important, when members are expressing personal views and not those of the Council, the public should be so advised.

### Correspondence from Council Members

Members of the City Council may occasionally be called upon to write letters to citizens, businesses or other public agencies. Typically, the City Manager will be charged with transmitting the City's position on policy matters to outside agencies on behalf of the City Council. Correspondence sent on behalf of the Council is placed on official City letterhead and is signed by the Mayor or City Manager. Individual members of Council may prepare letters to constituents in response to inquiries or to provide requested information. Individualized City Council Member letterhead is available for this purpose, and staff can assist in the preparation of such correspondence. Council Members are encouraged to provide copies of any correspondence on City letterhead to every Council Member and the City Manager.

On occasion, members may wish to transmit correspondence on an issue upon which the Council has yet to take a position or about an issue for which the Council has no position. In these circumstances, members should use their personalized letterhead and clearly indicate within letters that they are not speaking for the City Council as a whole, but for themselves as one member of Council.

After the City Council has taken a position on an issue, official correspondence should reflect this position. While members who may disagree with a position are free to prepare correspondence on such issues as private citizens, City letterhead, official Council title, and staff support should not be utilized in order to avoid confusion. In addition, City letterhead and staff support cannot be utilized for personal or political purposes.

Council Members may be asked to prepare letters of recommendation for students and others seeking appointment. Council Members may utilize City letterhead and their Council titles, but should indicate that the views expressed are those of the Councilmember (as opposed to the City Council). No review by the full Council is required, however, copies will be kept on file.

### **Speaking for “the City”**

Similar to written correspondence, when members are requested to speak to groups or are asked the Council’s position on an issue, the response should reflect the position of the Council as a whole. Of course, a member may clarify their vote on a matter by stating, for example, “While I voted against “X”, the City Council voted in support of it.” When representing the City at meetings or other venues, it is important that those in attendance gain an understanding of the City Council’s position rather than that of an individual member.

### **Local Ballot Measures**

At times measures that affect City Council policy may be placed on the ballot. There are restrictions regarding what actions a City Council or individual Members may take on ballot measures. Guidelines as to what is permissible are available from the City Clerk or City Attorney upon request.

### **State Legislation, Propositions**

In 2007 the City adopted a Legislative Program to enable the City to respond the pending state and federal legislation in a proactive manner (the 2011-2012 Legislative Program is included as Appendix B). The Mayor (or Mayor Pro Tem in the Mayor’s absence) would be authorized to sign correspondence expressing the City Council’s position on legislation consistent with the Legislative Program and/or other positions approved by the City Council.

Staff maintains direct and consistent contact with contracted state and federal lobbyists and monitors the League of California Cities’ Priority Focus, California Water Association and other sources to identify pending legislation that may impact the City. Letters expressing the City’s position will be drafted for the Mayor’s signature, with copies distributed to each Councilmember. Pending legislation not addressed by the Legislative Program or staff recommendations that deviate from the Legislative Program would be agendaized for City Council consideration.

# Interaction with City Staff

## Overview

City Council policy is implemented on a daily basis through staff. Therefore, it is critical that the relationship between Council and staff be well understood by all parties so that policies and programs may be implemented successfully. The City of Oxnard has a long tradition of positive relationships between members of the City Council and staff. To maintain these effective relationships it is important that roles are clearly recognized.

## Council-Manager Form of Government

Like most California cities, Oxnard has adopted a City Council-City Manager form of government. The Council appoints a City Manager to implement policy, enforce its laws, to direct the daily operations of city government, and to prepare and monitor the municipal budget. The Municipal Code specifies roles and responsibilities and requires that Council Members work through the City Manager in dealing with City staff unless simply requesting information from department heads or other staff members. The City Manager is responsible to the City Council as a body rather than to individual Council Members.

## Council-Manager Relationship

The employment relationship between the City Council and City Manager reflects the fact that the City Manager is the chief executive officer of the City. The City Manager has an employment agreement with the City Council. Regular communication between the City Council and City Manager is important in maintaining effective interpersonal relations. All dealings with the City Manager, whether in public or private, should be consistent with the authority of the City Manager in administrative and personnel matters. Council Members should avoid situations that can result in City staff being directed, intentionally or unintentionally, by one or more members of the City Council. Further, Council Members should avoid involving themselves in matters regarding individual City employees or related affairs.

The City Council evaluates the City Manager's performance annually to ensure that both the City Council and City Manager are in agreement about organizational performance and priority goals that are based on mutual trust and common objectives which are put forth in the mandatory annual strategic summit.

As in any professional relationship, it is important that the City Manager keep the City Council informed. The City Manager respects that the final responsibility for establishing the policy direction of the City is held by the City Council. The City Manager communicates with City Council in various ways. In addition to the formal Council meetings, there are periodic briefing meetings with individual Council members and written memoranda and email. Communication must be undertaken in such a way that all Council Members are treated similarly and kept equally informed and provided with updates on significant fiscal matters, major projects, or other critical issues. It is also important that the Council provide ongoing feedback, information and perceptions to the City Manager including responses to written communications and surveys requesting feedback.

## City Manager Code of Ethics

The City Manager is subject to a professional code of ethics that binds the City Manager to certain practices that are designed to ensure his or her actions are in support of the City's best interests. Violations of such standards can result in censure. Appendix D is a copy of the City Manager's Code Of Ethics.

## City Council-City Attorney Relationship

The City Attorney is the legal advisor for the Council, City Manager and departments. The general legal responsibilities of the City Attorney are to: 1) provide legal assistance necessary for formulation and implementation of legislative policies and projects; 2) represent the City's interest, as determined by the City Council, in litigation, administrative hearings, negotiations and similar proceedings; 3) prepare ordinances, resolutions, contracts and other legal documents to best reflect and implement the purposes for which they are prepared; and 4) keep City Council and staff apprised of court rulings and legislation affecting the legal interest of the City. It is important to note that the City Attorney does not represent individual members of Council, but the City Council as a whole.

## Roles and Information Flow

**Objectives:** It is the intent of staff to ensure Council members have free and easy access to information from the City and to ensure that such information is communicated completely, with candor and without bias. Individual Council Members may not intervene in staff decision-making, the development of staff recommendations, scheduling of work, or executing department priorities without the prior knowledge and approval of the City Council as a whole. This is necessary to protect staff from undue influence and pressure from individual Council Members, and to allow staff to execute the priorities given by management and the Council as a whole without fear of reprisal. Undue influence exercised by Councilmembers may result in censure.

**Council roles:** The full City Council retains power to accept, reject, amend, influence, or otherwise guide and direct staff actions, decisions, recommendations, service levels, work loads and schedules, departmental priorities, and the performance of City business. If a Council Member wishes to influence the actions, decisions, recommendations, workloads, work schedule, and priorities of staff, that member must prevail upon the Council in accordance with the Brown Act, preferably in closed session, to do so as a matter of Council business.

Should a Council Member become dissatisfied about a department, he/she should always talk it over with the City Manager and/or the Assistant City Manager, not the department head. Concerns about a department head must be taken to the City Manager only.

To assist the City Manager in his/her ability to monitor the flow of information, requests for information are best tracked if submitted in writing, either in memorandum form or through email. And to ensure proper responsiveness, Council Members are asked to "cc" both the department head and the City Manager on all correspondence with staff.

**Staff roles:** The Council recognizes the primary functions of staff as serving the community, executing Council policy and actions and in keeping the Council informed. Staff is obligated to take guidance and direction only from the Council as a whole or from the appropriate

management supervisors. Staff is directed to report to the City Manager any attempts by individual members of the Council to unduly direct or otherwise pressure them into making, changing or otherwise influencing recommendations.

City staff will make every effort to respond in a timely and professional manner to all requests made by individual Council Members for information or assistance; provided that, in the judgment of the City Manager, the request is not of a magnitude, either in terms of workload or policy, which would require that it would be more appropriately assigned to staff through the direction of the full City Council. If a request by an individual Council Member is determined by the City Manager to take one hour or more of staff time to complete, that request may be included on the formal Council agenda for full Council discussion.

## **Dissemination of Information**

In cases where a staff response to an individual Council Member request involves written materials that may be of interest to other Council Members, the City Manager will provide copies of the material to all other Council Members. In making this judgment, the City Manager will consider whether the information is significant, new, otherwise not available to the Council or of interest to the Council.

## **Staff Relationship with Advisory Bodies**

Staff support and assistance is typically provided to commissions and task forces. However, advisory bodies do not have authority over City employees. While staff may work closely with advisory bodies, staff members remain responsible to their immediate supervisors and ultimately the City Manager and City Council. The members of the commission/ board/committee are responsible for the functions of the advisory body, and the chairperson is responsible for committee compliance with City policies and practices.

Staff support often includes preparation of an agenda and its posting in compliance with the Brown Act. Staff may also prepare reports providing background on the issue, alternatives, a recommendation, and appropriate backup materials, if necessary. Advisory body members should have sufficient information to reach decisions based upon a clear explanation of the issues. The assigned staff person may serve as secretary, taking minutes as needed. Staff members are to assist the advisory body chair to ensure appropriate compliance with state and local laws and regulations.

It is important that advisory bodies wishing to communicate recommendations to the City Council do so through approved Council agenda procedures. In addition, if a commission wishes to correspond with an outside agency, that correspondence will be prepared by staff for review by the City Manager and possible approval by the City Council. Individuals who would like staff to perform research or for the commission to review a particular issue must gain the approval for such a request from the full City Council before any work is planned or done. The annual work plan for the City's commissions is determined by the City Council at its priority-setting that precedes the adoption of the fiscal year budget.

# Support Provided to City Council

## Staff Support

General administrative support to members of the City Council is provided through the City Manager's Office. Secretarial services including scheduling of appointments, receipt of telephone messages, and word processing are available as needed. In addition to supporting the five City Council members, the City Manager's Office also assists the City Manager, Assistant City Manager and City Clerk. Sensitivity to the workload of support staff members in the City Manager's Office is appreciated. Should requested tasks require significant time commitments, prior consultation with the City Manager is requested.

## Office Equipment

To enhance Council Members' ability to communicate with staff and the public, the City Council office is equipped with a computer and telephones with voicemail. The Council can also receive and send faxes.

Council Members may be connected from their home to the City's computer network. Information Services staff will provide initial assistance in setting up necessary software and hardware. While staff will maintain those computer applications related to City affairs, staff cannot provide assistance for personal computer applications. When individual Council Members have completed their term of office, any installed software and external modems must be returned to the City.

These technologies facilitate efficient communication by Council Members. However, their use also raises important legal issues to which Council Members must pay special attention. First, the Brown Act prohibits members from using "technological devices" to develop a concurrence by a majority regarding an action to be taken by the Council. "Technological devices" under the Brown Act include phones, faxes, computer email, public access cable TV and video. Council Members should not use e-mail, faxes or phones for communicating with other Council Members in order to develop a majority position on any particular issue that may come before the full Council. Particular caution is advised when using or responding to email received via the "CCIN" feature on the City's website and email directory. Correspondence sent using CCIN automatically goes to all five Council Members, certain staff and to the local newspapers.

Second, be aware that most emails sent by Council Members probably are public records under the Public Records Act. Even though it does not create paper, sending email is more similar to mailing a letter than placing a telephone call. The information in the email is stored on the computer network until deleted, and may continue to exist on the network's back-up systems even after being deleted. As a result, emails can become records of the City maintained in the course of business, and thus available for public disclosure under the Public Records Act.

Finally, the City's email system is intended for the conduct of official business, and not for political reasons. See CHAPTER 8 for a detailed discussion on the prohibition against using City property and funds for personal or political purposes.

## Meeting Rooms

Conference rooms are available in the City Manager's Office for shared use by members of the City Council. Council Members can also reserve larger meeting space for use by contacting the City Manager's Office staff.

## Mail, Deliveries

Members of the City Council receive a large volume of mail and other materials from the public, private interests and staff. The City Manager's Office staff maintains a mailbox for each member. Meeting agenda materials are available for pick up Thursday evenings at 5:30pm and are posted on the City's website. Members are encouraged to return unwanted reports and documents to staff for distribution to the public or for recycling.

DRAFT

# Financial Matters

## Council Compensation

State law and the Municipal Code provide for modest compensation to members of the City Council. State law limits an increase in City Council salaries to 5% per year, effective only following the next election after adoption. Currently, Council Members receive a monthly stipend. Council Members are also eligible for participation in group insurance benefits including retirement, medical, dental, vision, and life insurance plans available at the level provided to management employees.

## Expenditure Allowance

The annual city budget includes limited funding for members to undertake official City business. Eligible expenses include travel for attendance at conferences or educational seminars, and the purchase of publications and annual subscriptions. Donations to organizations are not eligible nor are meals for individuals other than Council Members.

## Expenditure Guidelines

It is important to note that any expense must be related to City affairs. Public property and funds may not be used for any private or personal purpose. Courts have ruled that this prohibition includes personal political purposes. For example, reimbursement could not be allowed to pay for meals at a meeting designed to discuss political or campaign strategies. It is also inappropriate for City funds to pay for a meal or other expenses of a private citizen.

City budgetary practices and accounting controls apply to expenditures within the City Council budget. Reimbursement requests should be made through the City Manager's Office monthly with receipts. Expenditure records are public information.

# Conflicts & Liability

## Conflict of Interest

State laws are in place to prevent an action by a Council Member that would or may constitute a conflict of interest. The purpose of such laws and regulations is to ensure that all actions are taken in the public interest. At any time a Member believes a potential for conflict of interest exists, he/she is encouraged to consult with the City Attorney or private legal counsel for advice. Staff may also request an opinion from the City Attorney regarding a member's potential conflict. Laws that regulate conflicts are very complicated. Violations may result in significant penalties including criminal prosecution.

There are two primary laws that govern conflicts of interest for public officials in California - the Political Reform Act and Government Code §1090. In general terms, the Political Reform Act prohibits a public official from having a financial interest in a decision before the official; §1090 prohibits a public official from having an interest in government contracts.

The Political Reform Act prohibits public officials from making, participating in, or in any way attempting to use their official position to influence a governmental decision in which they know, or have reason to know, that they have a financial interest. Therefore, if a public official has a conflict of interest, the official must disqualify himself or herself from acting on or participating in the decision before the City. Once a year Council Members and certain staff are required to file statements of economic interests.

Government Code §1090 is similar to the Political Reform Act, but applies only to City contracts in which a public official has a financial interest. The financial interests covered by §1090 are different from those in the Political Reform Act. A Member having an interest in a contract may preclude the City from entering into the contract at all. In addition, the penalties for violating §1090 are severe. If a Council Member believes that he or she may have any financial interest in a contract that will be before the Council, the Member should immediately seek advice from the City Attorney or the Member's personal attorney.

There are a number of other restrictions placed on Council actions that are highlighted in the League of California Cities' *Guide*. Such restrictions include prohibitions on secrecy and discrimination as well as assurance that all city funds are spent for public purposes. Violations of these restrictions may result in personal liability for individual Council Members.

## City Attorney Advice

The City Attorney has an affirmative duty to protect the City and City Council from conflicts of interest wherever possible. It is critical to note that while the City Attorney can render advice on the interpretation of State laws and regulations on conflict matters, such advice is solely an interpretation of the law. The only authority that can provide binding interpretations on such matters is the State Fair Political Practices Commission (FPPC). Members or the full Council may also solicit opinions on such matters directly from the FPPC; however, such opinions often take time to develop and may not readily respond to urgent matters. It is important to note that

the City Attorney does not represent individual members of Council, but the City Council as a whole.

## Conflict of Interest Forms

Annual disclosure statements are required of all Council members, designated commissioners and senior staff which indicate potential conflicts of interest including sources of income, ownership of property and receipt of loans and gifts. Council Members and the City Manager often serve on the governing board of other agencies as a result of their positions. These agencies also require submittal of disclosure forms. These forms require information including income, loans, receipt of gifts, and interest in real property among other items.

## Liability

The City is a large institution offering a variety of services and may occasionally find itself subject to legal actions through lawsuits. For example, those involved in automobile accidents sometimes choose to take actions against a City since the accident occurred on a City roadway. The City must always approach its responsibilities in a manner that reduces risk to all involved; however, with such a wide variety of high-profile services all risk cannot be eliminated. The City belongs to an agency with other governments to manage insurance and risk activities.

It is important to note that violations of certain laws and regulations by individual members of the City Council may result in that member's being personally liable for damages which would not be covered by the City's insurance. Examples may include discrimination, harassment or fraud.

# Additional Training & Resource Materials

## League of California Cities

The League is an association of virtually all cities in California. It provides many services including the production of educational conferences for local officials, publication of various newsletters and the monthly magazine *Western City*. The League has lobbyists on staff to represent the interest of cities before the state legislature and federal government and supports committees having local officials as members that are organized to address issues as they arise. The League has an Internet web site at [www.cacities.org](http://www.cacities.org). The City of Oxnard participates in League activities through the Peninsula Division.

## Local Government Commission

The Commission is a California-based organization that focuses largely on planning and resource conservation issues. It conducts workshops, offers periodic seminars, and publishes newsletters.

## International City/County Management Association (ICMA)

ICMA is a professional association of local government chief executives/city managers. The association has an extensive list of publications to assist local officials.
