**POLICY FOR RECAPTURE OF LOANS AVAILABLE
TO INCOME-QUALIFIED HOUSEHOLDS**

This is a method used to recapture all or a portion of the direct HOME subsidy if the HOME recipient decides to sell the house ***within the affordability period (i.e., the term of the loan as determined by the amount of HOME subsidy)*** at whatever price the market will bear.ⁱ

The phrase ‘direct HOME Subsidy’ is the amount of HOME subsidy loaned to the homebuyer directly to lower the fair market sales price to an affordable sales price, but not any HOME subsidy given to a developer needed in order to build the housing unit.

Recapture Provisions

- “In the event that the homebuyer *fails to satisfy the requirements during the term of the loan, or otherwise defaults*, the City shall exercise its legal rights, as set forth in the promissory note and deed of trust, in order to recover the monetary assistance previously provided to the homebuyer to the maximum extent permitted by law.”
- “If the recapture provisions are triggered by a sale of the housing unit, (whether voluntary or involuntary – such as foreclosure) or other default, the City shall take all necessary steps to recover the full amount of HOME funds from the net proceeds. The phrase ‘net proceeds’ is defined as the sales price, minus the loan repayment of the first trust deed (other than HOME funds) and any closing costs.”
- The HOME Program regulations allow the City to recapture the entire HOME Subsidy, in the event the loan recipient (now homeowner) violates the affordability period requirements. However, should the ‘net proceeds’ not cover the entire HOME Subsidy or not cover any of the HOME Subsidy, the City is required to forgive the remaining balance of the *direct* HOME Subsidy.
- If the homeowner does not occupy the residence as a primary residence, the loan is due and payable immediately upon discovery and investigation verifies that the property is not the primary residence of the loan recipient.

These policies refer only to HOME loans listed herein and made directly to the homebuyer/ homeowner, but not to Community Housing Development Organization HOME subsidies used.
