DATE: January 27, 2009

TO: City Council

FROM: Danielle Navas, City Treasurer
City Treasurer's Office

SUBJECT: Amendment to Certain Sections of the Oxnard City Code Regarding the Collection Of License Fees and the Rendering of Bills for Utility Services

RECOMMENDATION

That City Council approve the first reading by title only and subsequent adoption of an ordinance amending sections 2-176(D), 11-1(D), 11-261(C), and 22-42 of the Oxnard City Code ("OCC") concerning the collection of license fees and the rendering of bills for utility services.

DISCUSSION

In July 2008, the City Treasurer assumed from the Chief Financial Officer responsibility for the collection of license fees and the rendering of bills for utility services. The proposed ordinance would update the OCC to reflect these changes. The amendments to OCC sections 11-1(D) and 11-261(C) would change the definitions of collector and license collector respectively from Chief Financial Officer to City Treasurer. The amendment to OCC section 2-176(D) would remove the responsibility of supervising the license collector from the duties of the Chief Financial Officer, and the amendment to OCC section 22-42 would remove the responsibility of rendering bills for utility services from the duties of the Chief Financial Officer and give this responsibility to the City Treasurer.

FINANCIAL IMPACT
